**Von Joan Wolf : The Arrangement (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Arrangement (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Another great work by a superb writerVon Ein KundeThough she prefers not to show up, widow Gail Saunders knows that she has no choice but to attend the reading of the will of George Davane at the castle of the deceased's cousin, Raoul, the Earl of Saville. Gail plans to reject any inheritance sent her way. However, George knew her too well; her eight year

old son Nicky inherits a large sum of money. This bequest leads to much speculation and intrigue as to the lad's biological father. Though her reputation is destroyed, the mysterious Gail refuses to reveal anything about the birth of her beloved son, preferring to leave it as an enigmatic puzzle. Gail quickly falls in love with Raoul, who sets her up as his mistress. She accepts the position because she needs to grab the few crumbs of happiness that she can in spite of knowing that they can never marry since she is way beneath his station. However, happiness turns into a fleeting illusion as someone tries (and almost succeeds) to kill Nicky. Gail and Raoul know that they must uncover the identity of a villain, who finds the child's inheritance threatening his/her lifestyle before another attempt occurs. If they fail to solve the who-done-it, an innocent child could be murdered. Regency romance aficionados will howl with joy upon perusing Joan Wolf's latest romantic intrigue, *THE ARRANGEMENT*. Though the romantic sub-plot is well written, sensuous, and fun to read, it follows the Regency sub-genre's basic rules. However, the mystery is extremely exciting (especially with its first person narrative) that it turns the book into an intriguing historical who-done-it. Ms. Wolf successfully straddles the line between the mystery and romance genres.

Von Ein Kunde  
I've never read Joan Wolf before but knew she was a Big Name in Romance. This book - *The Arrangement* - did not disappoint. The plot was really well done - lots of dips and turns, just enough to keep you turning the pages quickly. The dialogue was witty and very well suited to the times. I really enjoyed Gail: strong, fiercely protective and proud. Raoul was an excellent hero: strong, fair, and he was so good with the children! The romance was a bit slow for my tastes but it did fit very well with the era. Wolf is an excellent writer - I'll try some of her other stuff.

Wonderful!  
Von Soyini  
I enjoyed this book immensely. It is my favorite of this new series of regencies from Joan Wolf. The hero and heroine are beautiful, interesting, and mature, which is a nice change from most romances. I also liked the way the plot developed and the way Ms. Wolf provides proper motivation for her characters' actions. I could have wished for fuller descriptions of the romantic scenes (read sex), but overall, this is a very entertaining and exciting story.

Kurzbeschreibung  
Widow Gail Saunders is struggling to support her eight-year-old son, Nicky, by running a small riding school when the Earl of Savile arrives to tell her that Nicky has unexpectedly inherited money from Savile's cousin. Gail and Nicky spend the summer at Savile Castle, where Gail falls in love with the charming Raoul, a man as far above her in social station as the sun is to the earth. To add to her troubles, someone seems to be trying to kill Nicky. The threads of the story unwind to an unexpected yet satisfying conclusion (which I am not about to reveal here!).

Some reader comments on *The Arrangement* ...  
The dialogue is priceless. The story complex. You will love all the wonderful characters and the sizzling storyline.  
Ms. Wolf is a master. *The Belles and Beaux of Romance*  
Another winner wonderfully written. Whether your favorite Joan Wolf story features Regency heroes, strong heroines, or marvelous Regency era settings, you'll find it all here in *The Arrangement*.  
Sherry Crane  
Compu-Serve Romance  
sIt will keep the reader absorbed from beginning to end. This perfectly paced story leads the reader,, through a harrowing search for the truth. The riveting narrative will delight readers everywhere!  
Patience H. Smith , *Gothic Journal*  
Some s for other Joan Wolf Regency Regency novels ...  
The Guardian ...  
The Belles and Beaux of Romance  
Joan Wolf always delivers a stellar reading experience. The latest treasure by Joan Wolf is *The Guardian*. Set in Regency England it is a tale about an extraordinary woman and how she deals with family secrets, deceit, and the great love of her life. *The Deception*  
What with the resurgence of interest in Jane Austen, Regency romances are enjoying a renewed popularity. Veteran novelist Wolf (best known for her prehistoric *The Reindeer Hunters*), turns in her own delightful addition, one that combines sensuality and passion with a spirited first-person narrative. When Kate Fitzgerald's horse-trader father is killed, she's placed with her malicious uncle, who spitefully maneuvers her into marriage with Adrian, Earl of Greystone. Waterloo hero Greystone accepts the unfortunate situation, but Kate falls deeply in love. Against the colorful racetrack background of the running of the Guineas at Newmarket, she schemes to entrap the aristocrat who murdered her father.

PUBLISHERS WEEKLY  
Joan Wolf is a USA TODAY bestselling author, whose acclaimed Regency romances have earned her national recognition as a master of the genre. Her many historical and contemporary romances have been highly praised by reviewers and authors alike. *Publisher's Weekly* reviewed one of her novels as "historical fiction at its finest." Joan was born in New York City but has lived most of her life in Connecticut with her husband, two children and numerous pets. An avid rider and horse owner, she enjoys featuring horses in her novels.
