Von maxyneAs expected it was an easy but good read. I really enjoyed. Not as flat and shallow as other books.

Kurzbeschreibung Sean Robbins's life rarely goes according to plan, which leaves him suspicious and determined to make it on his own. But when he learns why he failed to win a coveted internship with Chicago's leading lawyer, Coleman West, he soldiers on and takes a lesser position in West's firm instead. It won't stop him from snubbing Mr. West whenever he runs into him. Never mind that Mr. West is not only brilliant but gorgeous. Sean has his pride. People assume Coleman West was handed everything he has on a silver platter. Not so; he fought and scraped his way to the top of Chicago's elite. That hard work taught him to set high standards for those he chooses to work with or date. So when he gets on an elevator and runs into the very man he dismissed as being beneath him, the instant chemistry surprises him. Sean and Coleman could be happy together, but first they must overcome everything that stands in their way: backstabbing, jealousy, and their own pride and prejudices.
