Von Jonathan Rabb : The Overseer before purchasing it in order to gage whether or not it would be worth my time, and all praised The Overseer:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
Fesselnde StoryVon M. S.Die Geschichte ist sehr gut erzht, die Zusammenhng komplex aber verstndlich dargestellt.

Einzig die Handlung rund um den "Overseer" ist aus meiner Sicht etwas vorhersehbar. Insgesamt aber ein gutes Buch!

Kurzbeschreibung A debut thriller of global intrigue and political conspiracy In the summer of 1531, Medici soldiers, working for Pope Clement VII, tortured to death an obscure Swiss monk, Eusebius Eisenreich. What Eisenreich would not reveal was the location of a simple manuscript, On Supremacy, that far surpassed anything imagined by Machiavelli. The Pope never found the manuscript. This deadly document is at the heart of The Overseer. It has fallen into the hands of a cabal intent on ripping apart society as we know it and creating the terrifying new world order described in the manuscript. A family of Eisenreich's disturbing document has been reprinted in this book. **Pressestimmen** 'The Book of Q and The Overseer by New York novelist Jonathan Rabb easily out-manoeuvre Brown in grand and dark ecclesiastical designs.' Boyd Tonkin -- The Independent **Werbetext** Brilliant thriller writer, published in the UK for the first time. The Overseer will prove to be one of the best political thrillers of the decade.
