Von Tori Carrington : The P.I. Who Loved Her (Mills Boon Temptation) before purchasing it in order to gage whether or not it would be worth my time, and all praised The P.I. Who Loved Her (Mills Boon Temptation):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fun romance that I enjoyed a lotVon Ein KundeMitch McCoy does not begrudge his brother Marc's euphoria after marrying Melanie, but he could not handle all that family happiness that oozed in Maryland over the event. Marc's

ceremony reminds Mitch of his own time at the altar seven years ago when his bride failed to show up. Mitch gracefully leaves for his Manchester, Virginia home. On a two-lane road, Mitch sees a woman standing near her broken down car. His heart slam-dunks his brain when he realizes that the stranded motorist is Liz Braden, the woman who jilted him. She is wearing a wedding dress, which tells Mitch that flighty Liz has punished another groom. The wedding dress has a bloodstain that worries the sleuthing side of Mitch. However, P.I. aside, Mitch knows he still desires Liz, but does not trust her anymore. While unraveling the mystery behind why the only woman he ever loved recently fled Boston, he plans to bed her without a marriage license. The second novel in the "Magnificent McCoy Men" mini series is a wonderful romantic intrigue that will have readers anxiously awaiting book three. THE P.I WHO LOVED HER is pure fun as the lead protagonist struggles with his love for a woman who deserted and embarrassed him while wanting to keep her safe from whomever is after her. While readers will bond with the compassionate male lead, Liz is an enigmatic person whose plight will touch the audience on a deep level. With this tale and the previous story (LICENCE TO THRILL), Tori Carrington is forty percent complete towards a royal flush. Harriet Klausner 0 von 0 Kunden fanden die folgende Rezension hilfreich. Part of the Magnificent McCoys -- this book is magnificent! Von Holly F In THE PI WHO LOVED HER, we get Mitch McCoy's love story. Seven years ago, Liz Braden walked away from Mitch and their wedding without a backwards glance. Now she's back in town, wearing a wedding dress that's covered in blood. Mitch's PI instincts kick into high gear. When she walked away from him all those years ago the only thing bleeding was his broken heart. What's she left the would-be-groom bleeding with this time? Liz is home. She thinks she's running away from a bad situation, but could it be she's running toward something? Back to the man she'd loved and lost? Can the past be rekindled? Or is it possible that the flames of love that burned between her and Mitch never really died? I've read every book Tori Carrington's written and feel I can honestly say that their work just keeps getting better and better. I loved Mitch and Liz's story and can't wait until the next McCoy installment! 0 von 0 Kunden fanden die folgende Rezension hilfreich. The P.I. Who Loved Her Von Customer in Southern California Tori Carrington has managed the perfect blend of sensuality and deep emotion. The characters come to life and you root for them to "get it right this time." If you are looking for a book to make you feel good, this is the one. Definitely a must-read.

Kurzbeschreibung Mitch McCoy Private investigator. He specializes in locating people but could never find the woman who'd loved him, then left him at the altar Liz Braden She's back in town, after jilting another groom. She's obviously not meant to be married but she's sure tempted to "play house" with sexy Mitch. After one close call with matrimony, Mitch McCoy is a happily confirmed bachelor until his long-lost bride breezes back into town wearing another wedding dress and red shoes! Mitch might not be "in love" with Liz anymore, but he's never stopped wanting to "make love" to her. But will Liz finally give Mitch the wedding night they never had? Or will her latest groom track her down first? Kurzbeschreibung Mitch McCoy Private investigator.
