Von Diana Fraser : The PA's Revenge (The Mackenzies Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The PA's Revenge (The Mackenzies Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Predictable and sometimes too dramatic, but not bad in totalVon Hoener, BirgitCassandra, who blames Dallas Mackenzie for the death of her father and little son, sets out to destroy him and gets hired as his PA to accomplish her goal.Very predictable plot, but not a bad book at all; some of the dialogues and actions/reactions were a bit too

unrealistic, and sometimes I felt the reasons behind certain feelings and interactions should have been explained in more detail, especially - and I hope this is not a spoiler now - the change of heart a certain person had towards the end of the book. On the whole, though, a very enjoyable story; a pity there were so many many spelling errors. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Kurzbeschreibung Cassandra Lee doesn't do emotion. Why would you want to feel anything when your son and father have died in horrific circumstances? Why would you want to do anything other than exact revenge on the man you hold responsible for the tragedy? Revenge is her only focus so she studies his business and revamps her image with the aim of becoming his PA and sabotaging his fortune. And Dallas Mackenzie's wealth is important to him. He's restored his family's fortunes after his father nearly lost everything through drink, violence and deceit. He believes he's inherited his father's violent temper and alcoholism and is determined not to succumb to them. He values honesty above all else and focuses on working hard and avoiding emotional attachment at any cost, even an empty life. But empty lives can be filled--at least for a short while--and Dallas sets out to seduce Cassandra. Unfortunately seduction--and her body's responses to this arrogant, powerful and sexy man--wasn't something Cassandra could prepare for. She just hopes that his interest--and her resistance--will hold out long enough to ruin him... The Mackenzies Series Book 1--The Real Thing Book 2--The PA's Revenge Book 3--The Marriage Trap Book 4--The Cowboy's Craving Book 5--The Playboy's Redemption Book 6--The Lakehouse Caf
