Isst er sich berreden die Tochter des Marketo Packs zu heiraten. Auf der Verlobungsfeier hat Cole allerdings mehr Interesse an ihrem Halbbruder Paris, der halb Panther ist und erotischer Tänzer. Mir hat gut gefallen, dass es nicht nur darum ging ob Cole und Paris sich kriegen. Cole und Paris sind ein sexy Paar, aber die Bedrohung durch einen verrückten machthungrigen Alpha für das gesamte Pack und Paris im Speziellen gab einen extra Stern.

Kurzbeschreibung Tales of the Harker Pack: Book One Cole Harker, son of an alpha werewolf, is bigger and more powerful than most wolves, tongue-tied in groups, and gay. For twenty-four years, he's lived to please his family and pack even letting them promise him in marriage to female werewolf Analiese to secure a pack alliance and help save them from a powerful gangster who wants their land. Then Cole meets Analiese's half-brother, panther shifter Paris Marketo, and for the first time, Cole wants something for himself. When Analiese runs off to marry a human, Cole finally has a chance with Paris, but the solitary cat rejects him, the pack, and everything it represents. Then Cole discovers the gangster wants Paris too and won't rest until he has him. What started as a land dispute turns into World War Wolf! But the bigger fight is the battle between cats and dogs.
