Von Bernard Cornwell : The Pagan Lord (The Last Kingdom Series, Book 7) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Pagan Lord (The Last Kingdom Series, Book 7) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen7 von 8 Kunden fanden die folgende Rezension hilfreich. Too repetitive languageVon J. v. HausbergI really like books from Bernard Cornwell and basically I liked the story here

too. Only the repetitions of the same sentences time after time, book after book starts getting at me. In comparison to the other books from Cornwell, the language is poorer and more idiomatic, I guess it is in order to create a flair of a simple old soldier telling his tale and going on about the same old rants about priests Gods and whatnot, but to be honest I would not want to feast with that ranting old goat in Valhalla even if they promised 50 virgins to go along. I fear that Cornwell will be able to pull further 5 books out of the same stuff and Uhtred still has not captured his ruddy Bebbanburg, and I can wait forever for him to continue Starbuck-series.0 von 2 Kunden fanden die folgende Rezension hilfreich. Magnificent Von Kindle-Kunde Wish the sequel was already there. This asking for more words is annoying and completely superfluous, please stop this stupid and unnecessary praxis 0 von 0 Kunden fanden die folgende Rezension hilfreich. Fr Fans der Serie Von Rubberduck Fans der Serie bekommen hier, was sie erwarten. Nicht mehr und nicht weniger. Uhtred jagt durch England, schippert zu den friesischen Inseln und nimmt ehemalige Rmerstdte im Handstreich. Und am Ende gibts natrlich eine scheinbar aussichtslose Schlacht gegen die Dnen inklusive Schildwall. Bewhrte Zutaten fr kurzweilige Unterhaltung. Neue Entwicklungen findet man weniger. Uhtred fhlt sich langsam alt und sieht dem Ende seines Lebens entgegen. Hoffentlich endet die Serie nicht allzu schnell. Ein paar Bcher drfen gerne noch kommen. Aber wir wissen natrlich: Wyrð bith ful araed - Das Schicksal ist unausweichlich.

Kurzbeschreibung The seventh novel in Bernard Cornwells number one bestselling series on the making of England and the fate of his great hero, Uhtred of Bebbanburg. BBC2s major Autumn 2015 TV show THE LAST KINGDOM is based on the first two books in the series. Uhtred sword of the Saxons, bane of the Vikings has been declared outcast. Peace in Britain has given Uhtred time to cause trouble for himself. Branded a pagan abomination by the church, he sails north. For, despite suspecting that Viking leader Cnut Longsword will attack the Saxons again, Uhtred is heading for Bebbanburg, fearing that if he does not act now he will never reclaim his stolen birthright. Yet Uhtreds fate is bound to the Saxons. To Aethelflaed, bright lady of Mercia and to a dead kings dream of England. For great battles must still be fought and no man is better at that than Uhtred. Uhtred of Bebbanburgs mind is as sharp as his sword. A thorn in the side of the priests and nobles who shape his fate, this Saxon raised by Vikings is torn between the life he loves and those he has sworn to serve. Pressestimmen A violent, absorbing historical saga, deeply researched and thoroughly imagined. (Washington Post) Cornwell successfully brings an unjustly obscure era in British history to life. The conflict between Dane and Saxon is examined with sympathy and insight-without projecting 21st century values onto cultures now alien to us. In the course of this, he shows how historical novels should be written. (Publishers Weekly) Cornwell, a master of historical fiction, has written another energetic and involving mix of history and storytelling that will please his many fans. A sweeping story. (Library Journal) Cornwell does a masterful job of showing not only how Uhtred fights, but also in how he uses his wits to backstab, threaten, bluff, and maneuver his way into a position where hes able to fight with the best possible odds. (Bookreporter.com) Plunges the reader into the world of the past, with all of its cruelties, nonexistent plumbing and deplorable personal grooming.... Cornwell is a master at writing these historical novels, and The Pagan Lord as usual, is no exception. (The Oklahoman) Uhtred of Bebbanburg rides into battle once again in the seventh installment of Cornwells stellar Saxon Tales series. Cornwell excels at depicting gloriously gory battle scenes as well as the inherent religious, political, and martial conflicts upon which a great nation was born. (Booklist) Kurzbeschreibung The seventh novel in Bernard Cornwells number one bestselling series on the making of England and the fate of his great hero, Uhtred of Bebbanburg.
