To be a Jew in Berlin in 1938Von Peter BerlinBerlin 1938 is not a good place, especially when you are a private eye, trying to solve the murders of young teenage girls. After "march violets" this is the second mystery/thriller in which Bernie Gunther has to use his conderable wits to find a serial killer who is uncomfortably close to the Nazi party. There seems

to be a kind of conspiracy in which some devious character want to increase the hatred against Jews. You can learn quite a bit Berlin and the Nazi part at the same time and this mixture gives the text an extra dimension. Quite recommendable. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Blass? Von GenieerBlass ist nur der Kriminelle im Titel, ansonsten ist der Roman farbig geschrieben und führt uns von der schwulen Subkultur in die widerliche Esoterik von Himmler und Konsorten. Es ist fast unglaublich und erschreckend, dass sich die Handlung des Buches aus so vielen echten Lebenslufen speist. Der Verbrecher Heydrich erscheint in seiner Rationalität fast als ein "knight in bright armour".

Kurzbeschreibung Hailed by Salman Rushdie as a "brilliantly innovative thriller-writer," Philip Kerr is the creator of taut, gripping, noir-tinged mysteries that are nothing short of spellbinding. In this second book of the Berlin Noir trilogy, *The Pale Criminal* brings back Bernie Gunther, an ex-policeman who thought he'd seen everything on the streets of 1930s Berlin until he turned freelance and each case he tackled sucked him further into the grisly excesses of Nazi subculture. Hard-hitting, fast-paced, and richly detailed, *The Pale Criminal* is noir writing at its blackest and best. *Pressestimmen* "...a superb tour of Berlin on the edge of an abyss and a cynical, dashing leading man. *St. Louis Post-Dispatch* "Echoes of Raymond Chandler but better on his vivid and well-researched detail than the master." *Evening Standard* Kurzbeschreibung Hailed by Salman Rushdie as a "brilliantly innovative thriller-writer," Philip Kerr is the creator of taut, gripping, noir-tinged mysteries that are nothing short of spellbinding.
