Von Luke McCallin : The Pale House: The Sequel to The Man from Berlin (A Gregor Reinhardt Novel) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Pale House: The Sequel

to The Man from Berlin (A Gregor Reinhardt Novel):

Kurzbeschreibung
From the author of The Man from Berlin, shortlisted for the CWA Endeavour Historical Dagger
German intelligence officer Captain Gregor Reinhardt has just been reassigned to the Feldjaegerkorps - a new branch of the military police with far-reaching powers. His position separates him from the friends and allies he has made in the last two years, including a circle of fellow dissenting Germans who formed a rough resistance cell against the Nazis. And he needs them now more than ever. While retreating through Yugoslavia with the rest of the army, Reinhardt witnesses a massacre of civilians by the dreaded Ustae - only to discover there is more to the incident than anyone believes. When five mutilated bodies turn up, Reinhardt knows the stakes are growing more important - and more dangerous. As his investigation begins to draw the attention of those in power, Reinhardt's friends and associates are made to suffer. But as he desperately tries to uncover the truth, his own past with the Ustae threatens his efforts. Because when it comes to death and betrayal, some people have long memories. And they remember Reinhardt all too well. 'Reinhardt is a terrific creation' - Times 'What makes the book terrific is the humanity and hope that shine through even the darkest of scenes' - Herald 'If you like Philip Kerr's Bernie Gunther books, you will love The Ashes of Berlin. Luke McCallin has skilfully crafted an atmospheric and gripping tale set amid the ruins of a war ravaged city that feels wholly authentic. Historical fiction at its best' Howard Linskey, author of Behind Dead Eyes
Look out for other books in the Gregor Reinhardt series: The Man from Berlin and The Ashes of Berlin
Pressestimmen
Praise for The Man from Berlin: I'm reminded of Martin Cruz Smith in the way I was transported to a completely different time and culture and then fully immersed in it. An amazing first novel. Alex Grecian, author of The Yard and The Black Country
From page one, Luke McCallin draws the reader into a fascinating world of mystery, intrigue and betrayal. Charles Salzberg, author of Devil in the Hole
Set in 1943 Sarajevo, McCallin's well-wrought debut highlights the complexities of trying to be an honest cop under a vicious, corrupt regime
intelligent diversion for WWII crime fans. Publishers Weekly
An extraordinarily nuanced and compelling narrative. New York Journal of Books
Reinhardt's character is compelling, as complex and conflicted as the powers that surround him. I look forward to the next Gregor Reinhardt mystery.
Historical Novel Society
