**Von William Golding : The Paper Men: With an introduction by Andrew Martin (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Paper Men: With an introduction by Andrew Martin (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. An

awful book. And I loved it. Von Ein Kunde I picked up this book (audio version) on a whim. I don't know much about W. Golding except that I had read *Lord of the Flies* 20 years ago in school. Each of the main characters in this book is so very detestable that you simply wish for terrible things to happen to all of them. Fortunately, Golding does not disappoint in this respect. If you a writer who hates writers you'll probably love this book. One other comment...it may have one of the best last lines of a book ever.

Kurzbeschreibung Fame, success, fortune, a drink problem slipping over the edge into alcoholism, a dead marriage, the incurable itches of middle-aged lust. For Wilfred Barclay, novelist, the final unbearable irritation is Professor Rick L. Tucker, implacable in his determination to become The Barclay Man. Locked in a lethal relationship they stumble across Europe, shedding wives, self-respect and illusions. The climax of their odyssey, when it comes, is as inevitable as it is unexpected. Kurzbeschreibung Fame, success, fortune, a drink problem slipping over the edge into alcoholism, a dead marriage, the incurable itches of middle-aged lust.
