**Von Arthur Conan Doyle : The Parasite: A Story (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Parasite: A Story (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Guter HorrorVon FalkeConan Doyle ist in erster Linie berhmt fr seine Sherlock-Holmes-Geschichten. Wenig bekannt ist, dass er auch sehr gute Horrorgeschichten geschrieben hat.Professor Gilroy kommt in Kontakt mit der Spiritualistin Frau Penclosa. Er glaubt nicht an bersinnliche Fhigkeiten, wird aber von ihr zu Dingen gezwungen, die er in vollem Bewusstsein nicht tun wrde. Sie scheint die Kontrolle ber ihn zu haben und er muss sie loswerden ..."The Parasite" ist

ein Musterexemplar für eine gute geplottete Geschichte, bei der die Schrauben immer mehr angezogen werden. Für heutige Verhältnisse ist die Geschichte etwas kurz geraten und das Ende sehr abrupt. Stephen King in Hochform hätte aus der Handlung vielleicht mehr rausgeholt.

**Kurzbeschreibung** Sir Arthur Conan Doyle (1859-1930) was a Scottish physician and writer known around the world for his stories about detective Sherlock Holmes, which all but created the literary field of crime fiction and made the name Sherlock Holmes synonymous with detectives. Aside from the Sherlock Holmes stories, he was a prolific writer whose other works include science fiction stories, historical novels, plays and romances, poetry, and non-fiction.

**Kurzbeschreibung** Sir Arthur Conan Doyle (1859-1930) was a Scottish physician and writer known around the world for his stories about detective Sherlock Holmes, which all but created the literary field of crime fiction and made the name Sherlock Holmes synonymous with detectives. Aside from the Sherlock Holmes stories, he was a prolific writer whose other works include science fiction stories, historical novels, plays and romances, poetry, and non-fiction.

**Synopsis** Let me try to reason it out. This woman, by her own explanation, can dominate my nervous organism. She can project herself into my body and take command of it. She has a parasite soul; yes, she is a parasite, a monstrous parasite. She creeps into my frame as the hermit crab does into the whelk's shell. I am powerless! What can I do? I am dealing with forces of which I know nothing. And I can tell no one of my trouble. They would set me down as a madman. Certainly, if it got noised abroad, the university would say that they had no need of a devil-ridden professor. And Agatha! No, no, I must face it alone.
