Von Laurie Kellogg : The Parent Pact (Return to Redemption, Book 3) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Parent Pact (Return to Redemption, Book 3):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Single parents make a dealVon Kindle JunkieThis is the third I've read in this Redemption series and I plan to read more. Characters of other books are barely mentioned, so the order in which the books are read is not too important.The synopsis tells the story. The main characters - Annie, Tyler, his two best friends - are all likable. Annie's a bit insecure,

has a bit of chip on her shoulder due to her rather difficult life.

Kurzbeschreibung Cinderella and Prince Charming never had to consider the welfare of their children When widower Tyler Fitzpatrick meets Annie Barnes at his daughters school, his libido goes tilt. The sexy single mother is everything he and his grieving little girl need. Unfortunately, Annie flatly refuses his dinner invitation. She wants a husband and a father for her sonnot just a boyfriend. And the last time she checked, wealthy, summa-cum-laude lawyers didnt marry high-school-drop-out housekeepers. Tyler concedes theres a vast difference between their experiences and lifestyles. Still, hes inexplicably drawn to the impoverished young woman even though her little boy reminds Tyler of an underprivileged past hed rather forget. While becoming better acquainted, he offers Annie a job caring for his daughter and home in Redemption, PA. He also proposes a Parent Pactan agreement to become role models to each others child and to fill one anothers needs as single parents while they continue to search for true love. Accepting Tylers offer would solve a lot of Annies problems. However, surrendering to her weak-in-the-knees attraction to the irresistible widower could very well leave her and her son heartbroken. Yet, when circumstances threaten her ability to feed her child, Annie reluctantly agrees to the pact, making it clear she has no desire for Tyler to fill her so-called needs in bed. Its a bald-faced lie, but she knows the mans desperation to give his daughter the nurturing she needs will compel him to accept a purely platonic relationship. Now, Annies only problem is resisting the overwhelming temptation to let sin-in-a-tailored-suit Tyler seduce her. 70,000 words
