Von Jenny Oliver : The Parisian Christmas Bake Off before purchasing it in order to gage whether or not it would be worth my time, and all praised The Parisian Christmas Bake Off:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. I Love itVon Christina PaitazoglouSehr schn geschrieben und man bekommt Lust auf Backen ! Paris, Weihnachten,

Kurzbeschreibung If you want a winter break in Paris, this book is the perfect get away. - French Village Diaries Welcome to the most celebrated patisserie competition in Paris ready, steady, bake! Watching snowflakes settle on the Eiffel Tower, Rachel Smithson's cosy English village feels very far away as, thankfully, does her commitment-phobic ex, probably already kissing someone else under the mistletoe. But Rachel hasn't come to Paris to mope she's come to bake. Hard. Because the search for Paris's next patisserie apprentice is about to begin! And super-chef judge Henri Salernes is an infamously tough cookie. But Rachel isn't about to let her confidence (or pastry) crumble. She's got one week, mounds of melt-in-the-mouth macaroons and towers of perfect profiteroles to prove that she really is a star baker. As well as clouds of flour, and wafts of chocolate and cinnamon, there's definitely a touch of Christmas magic in the air. Rachel hasn't come to Paris looking for a fairy-tale romance, but the city of love might gift-wrap her one anyway. Not even a dusting of icing sugar could make The Parisian Christmas Bake Off a more perfect Christmas treat! Praise for Jenny Oliver 'I thoroughly enjoyed this book it had a sprinkling of festivity, a touch of romance and a glorious amount of mouth-watering baking!' Rea Book 'With gorgeous descriptions of Paris, Christmas, copious amounts of delicious baking that'll make your mouth water, and lots and lots of snow what more could you ask for from a Christmas novel!' Bookboodle 'The baking part of the book is incredibly well written; fans of The Great British Bake Off will not be disappointed to see all their favourites in here! This is a lovely little read that is perfect for the festive period!' Hanging on Every Word 'What a fun Christmas story! I loved the sound of this one and it was just as scrumptious as I had hoped!' Fabulous Book Fiend 'This is a festive read, but could equally be enjoyed at any time of the year - a lovely story to read with a huge cup of hot chocolate. And of course, a large wedge of cake.' Books with Bunny 'it was everything I enjoy. Oliver did a wonderful job of allowing us to immerse ourselves in the lives of the pair, she created characters that were likeable and well rounded I couldn't find a single flaw in the book.' 5* stars from Afternoon Bookery to The Little Christmas Kitchen

den Autor und weitere Mitwirkende Jenny Oliver wrote her first book on holiday when she was ten years old. Illustrated with cut-out supermodels from her sister's Vogue, it was an epic, sweeping love story not so loosely based Dynasty. Since then Jenny has gone on to get an English degree and a job in publishing that's taught her what it takes to write a novel (without the help of the supermodels).
