Mit einer ordentlichen Portion Humor wird man daran erinnert, zu welch kostspieligem Irrsinn wir uns an Weihnachten hinreien lassen, stressige Einkufe, kalorienreiches Essen, unbrauchbare Geschenke geben und nehmen. Dieses alles nur einmal im

Leben schlicht ausfallen lassen, denkt sich die Hauptperson im Buch und nimmt sich fest vor nicht einen Cent für das diesjährige Weihnachtsfest auszugeben und sich stattdessen mit seiner Frau vom Weihnachtskonsum-Gesparten eine Karibikreise zu gönnen. Natürlich kommt es wie so oft anders als man denkt. Und schließlich ist doch nur einmal im Jahr Weihnachten! Ein Stern Abzug für rund 100 Seiten relativ unspannender Erzählung nach dem ersten spannungsgeladenen Höhepunkt. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Spannung bis zur letzten Minute! Von Peter H. eine faszinierende Story, ein außergewöhnlicher Verbrecher und ein juristisches Kleinod als Story, die nur durch das wahre Leben gelegentlich noch betroffen wird. 21 von 22 Kunden fanden die folgende Rezension hilfreich. just great! Von Sturmhexe this is my favourite christmas book. i couldn't stop laughing. no christmas, no tree, no christmas cards, no decoration... just a cruise instead. what a wonderful idea! but life is what happens while you are making other plans! when the preparations for christmas are stressing you, when you are fed up and about to quit, just take a break and read this book and you will recognize how relaxed your christmas is!

Kurzbeschreibung They found him in a small town in Brazil, near the border with Paraguay. He had a new name, Danilo Silva, and his appearance had been changed by plastic surgery ... from the No. 1 bestselling master legal thriller writer. The search had taken four years. They'd chased him around the world, always just missing him. It had cost their clients \$3.5 million. But so far none of them had complained. The man they were about to kidnap had not always been called Danilo Silva. Before he had had another life, a life which ended in a car crash in February 1992. His gravestone lay in a cemetery in Biloxi, Mississippi. His name before his death was Patrick S. Lanigan. He had been a partner at an up-and-coming law firm. He had a pretty wife, a young daughter, and a bright future. Six weeks after his death, \$90 million disappeared from the law firm. It was then that his partners knew he was still alive, and the long pursuit had begun.... deLiterary slugger John Grisham's The Partner is a story about--surprise!--a lawyer in trouble. Patrick Lanigan had been a young partner in a prominent Southern law firm. He had a beautiful wife, a new baby girl, and a bright future. Then one winter night Patrick was trapped in a burning car; the casket they buried held nothing but ashes. A short distance away, Patrick watched his own burial then fled. A fortune was stolen from his ex-firm's offshore account. And Patrick ran, covering his tracks the whole way.
