PassionVon deialEine wunderschne Liebesgeschichte. Muss Kate zur Familie halten oder soll sie ihrem Herz folgen.  
Der Plot knnte zwar an einigen Stellen schlssiger sein, aber im ganzen eine gut lesbare Geschichte, die auch zu Trnen

fhren kann.

KurzbeschreibungIndustrial espionage is a new career path for Katherine. It might not have been part of her life plan but there's certainly excitement in matching wits with a leader in her industry. Yet she hadn't counted on her boss being so straight out sexy, and far too observant for her peace of mind. Now, how can she possibly distract him from looking closely at what she's up to - and satisfy her own desire to have him naked in her bed?KurzbeschreibungIndustrial espionage is a new career path for Katherine.
