Von Barbara Delinsky : The Passions of Chelsea Kane before purchasing it in order to gage whether or not it would be worth my time, and all praised The Passions of Chelsea Kane:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Good Story (If you can last long enough to finish)Von Ein KundeThis book tells the story of a woman, Chelsea Kane, who, after the death of her adoptive mother, decides to "discover" herself by looking up her biological parents. She moves to Norwich Notch (her birth place) to start her search. The book is slow and other than Chelsea, the character development lacks some. But after finishing the book, I decided the slow moving pace of the book represented the

slow pace of life in Norwich Notch. Ms. Delinsky starts the book out with a family squabble over a divided set of jewelry, which leads the reader to believe this is one of the conflicts Chelsea has to resolve throughout the book. While the other conflicts resolve in a satisfying way, this story line has no closure.1 von 1 Kunden fanden die folgende Rezension hilfreich. Pleasantly Surprised!Von Ein KundeI was pleasantly surprised, upon my first reading of a book by Ms. Delinsky. I was rewarded with suspense, romance, and great characters. Although slow in some parts, the story line was strong and full of twists and turns. If you're looking for romance, with suspense and family conflicts this is a good read. I was disappointed however, that she didn't finish the conflicts by the end of the book. I would have liked to have seen her resolve the conflict of the heirloom ring and the conflict between Chelsea and her father. I will definitely be reading more of her books in the future. An entertaining read that kept guessing!0 von 0 Kunden fanden die folgende Rezension hilfreich. Suspense, romance and great love scenes.Von Ein KundeChelsea becomes embroiled in a search to find her real parents after her adopted mother dies. Her search takes her to the small town of her birth where she secretly tries to uncover the circumstances of her birth. Along the way she gets involved in a hot sexual relationship and discovers the truth behind her birth. Very hot love scenes!

KurzbeschreibungAn enthralling and unforgettable story of a woman's search for her past,The Passions of Chelsea Kaneis a beloved classic fromNew York Timesbestselling author Barbara Delinsky.After the death of her beloved adoptive mother, thirty-six-year-old Chelsea Kane is consumed by the need to learn the truth about her birth parents. Taking a break from her successful architecture career, she arrives in the New Hampshire town where she was born, determined to find answers, her only clue a tarnished silver key that was bequeathed to her after her mother's passing.One of her first discoveries, however, is something quite unexpected: the irresistible Judd Street. Buoyed by love and resolution, Chelsea slowly begins to uncover the dark mystery of her past. But as she inches closer to the truth, she realizes that someone is trying to stop her, and will go to any lengths to prevent her from finding answers. The danger escalates until one terrifying night when all secrets are laid bare.Full of danger, intrigue, and love, The Passions of Chelsea Kane is a riveting and heartfelt story that can only be told by master storyteller Barbara Delinsky.From Publishers WeeklyThe clues to the identity of the heroine in this contemporary romance can be obvious and heavy-handed, but the variety of characters Delinsky (A Woman Betrayed) presents provides ample entertainment. Mystery surrounds the birth of Chelsea Kane. Adopted by the Kanes, she knows only that she was born in Norwich Notch, a small New Hampshire town. An architect, Chelsea gains her first uncertain foothold in Norwich Notch by buying into its largest business, a financially troubled granite company. Locals resent Chelsea's intrusive presence, but two who take to her are Hunter Love (in a friendly sort of way) and "stunningly male" Judd Streeter (passionately). Someone who obviously doesn't take to her, however, scares her with late-night telephone calls and torches her barn. Chelsea's efforts to earn a place in the community and in Judd's heart are endangered when she learns she is pregnant. Judd is not the father, and Notch residents disapprove of unwed mothers. In this small-town romance Delinsky refreshingly takes the opportunity to poke fun at social snobbery and moral hypocrisy.
