Von Lisa Pietsch : The Path to Freedom (Task Force 125) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Path to Freedom (Task Force 125) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Love it!Von KalieaThis is one of the best books i've read lately. It is entertaining and well written, with just a touch of humour in the right places without seeming too obvious. I just couldn't put it down.There are no mistakes neither in spelling nor in grammar (I won't guarantee there are NO mistakes, but none that hit me straight. Maybe i was just

distracted) and there are no sudden surprises in the layout - what can you expect more?
