Von Steve Berry : The Patriot Threat: Book 10 (Cotton Malone Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Patriot Threat: Book 10 (Cotton Malone Series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. No more tax problems.Von Robert LambGreat job of putting together a fast moving story and integrating a lot of tax information that is also interesting to read. Never thought that was possible. Cotton Malone,Steffi and Luke seem to

have found a new partner in Wonder Woman. Read this book and all will be revealed.

KurzbeschreibungA provocative thriller for fans of Dan Brown and David Baldacci, from the top-ten New York Times bestselling author. The 16th Amendment to the Constitution legalized federal income tax, but what if there were problems with the 1913 ratification of that amendment? Problems that call into question decades of tax collecting, and could even bring down the US economy. There is a surprising truth to this possibility - a truth wholly entertained by Steve Berry in this fast-paced thriller. His protagonist, Cotton Malone, once a member of an elite intelligence division within the Justice Department known as the Magellan Billet, is now retired. But when his former-boss, Stephanie Nelle, asks him to track a rogue North Korean who may have acquired some top secret Treasury Department files - the kind that could bring the United States to its knees. Malone is vaulted into a harrowing twenty-four-hour chase that begins on the water in Venice and ends in the remote highlands of Croatia. With appearances by Franklin Roosevelt, Andrew Mellon, and a curious painting that still hangs in the National Gallery of Art, Steve Berry's trademark mix of history and suspense is 90% fact and 10% exciting speculation. Pressestimmen One of Berry's best books to date. "The New York Times" Cotton Malone is once again thrown into the midst of fast-paced international threats. The history in this novel is intriguing, even to non-history buffs. "RT Book s" "Fans of political conspiracy fiction will find plenty to like." "Publishers Weekly" "Blending F.D.R. era history and tax resister rumors with intense international intrigue, The Patriot Threat manages to keep readers interested and throttling forward to the final paragraph."
