Von Anonymous : The Pearl before purchasing it in order to gage whether or not it would be worth my time, and all praised The Pearl:

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Fun, outrageous, stimulating look at sex in the 90s (1790s) Von Ein Kunde I received this book many years ago as a 21st birthday present from my aunt. What a book!! It takes a fun approach to sex. Who knows when it was really written; it probably doesn't matter. All I know is that the friends that I've given copies to, have reported that their sex lives have

greatly improved and that they laugh alot more now.0 von 0 Kunden fanden die folgende Rezension hilfreich.
Excellent Erotica and VictorianaVon Ein KundeContains humourous verses, short stories and longer stroies in the style of the mainstream magazines of the day. There is also poetry [of sorts] that will make you chuckle and blush. Who wrote these for the Pearl at the time is open to conjecture, but it is all very good, and to have it in one volume is nirvana. A rattling good read!0 von 0 Kunden fanden die folgende Rezension hilfreich. Sneek Reading At It's BestVon Ein KundeI found this book under my dads mattress when i was about 12. Then my dad moved it and i never saw it again. I have not been able to get that book out of my mind for 25 yrs. Thanks .com for reuniting me with it!

KurzbeschreibungAmong the first "Journals of Voluptuous Reading" to be spawned by the Victorians, this novel shows them as vastly different from their public image--beneath the facade of respectability and sexual repression there existed the strongest urge for sexual experimentation and enjoyment. First published in London in July 1879, The Pearl provided unrestrained erotica for every taste.KurzbeschreibungAmong the first "Journals of Voluptuous Reading" to be spawned by the Victorians, this novel shows them as vastly different from their public image--beneath the facade of respectability and sexual repression there existed the strongest urge for sexual experimentation and enjoyment. First published in London in July 1879, The Pearl provided unrestrained erotica for every taste.Synopsis A collection of the jokes, ballads, sexual adventures, and gossip that appeared in Victorian London's 'Journal of Voluptuous Reading'.
