Ok readVon ArialIt was a ok read except for the fact that kazyzy hasn't grown a pair of balls, and a little more sense I mean she represents so much power and always have to be saved.The book though was well written with all of the lovable

characters from the previous books, hopefully though in the next book Kaz has more fight. 0 von 0 Kunden fanden die folgende Rezension hilfreich. the fantastic story continues! Von Elodie Coltagain I haven't been disappointed, I loved this book as much as the others. I'm just glad that all the questions I had after the ending of the fourth book have been answered in this one, as I already feared that me being not an English native was the problem. anyway, I'm really looking forward to Pentagram Child 2 !
