Von Stephanie Hudson : The Pentagram Child: Part 2 (Afterlife Saga Book 5) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Pentagram Child: Part 2 (Afterlife Saga Book 5) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. brilliant!Von Elodie ColtThis book was as good as the other ones of the Afterlife Saga, although a little different (no

spoilers, don't worry): It's a lot about Draven and Keira each one fighting for survival in their own way and although their loving relationship continues in the second half of the book, I really enjoyed reading the action and drama in the first half when they were separated. It was described very detailed and I could really FEEL the pain and fear. As usual in the Afterlife Sage there is a VERY OPEN ending and I hate that I'll have to wait for I don't know how long for the next book :(

KurzbeschreibungAs Keira and Draven reunite, it is but a bitter sweet moment as it is time they must put their loyalty on the line in the ultimate test of trust in order to seek the truth. But making it through the gates of Hell and back in one piece isnt something they can expect or take lightly. As for one of our destined lovers, a fight for the others survival is something they will have to face alone. Will Draven release Hell on Earth for the sake of the woman he loves or let her go? Is one love strong enough to live through the end of the world or in fact, powerful enough to save it? Warning: This book contains a battle of wills like no other and an explosive mix of both new and old characters all coming together with one goal To save a Kings soul. Please note that the book is written using UK English spelling with some local northern sayings and descriptions. What first became a quest to overcome the boundaries set against her in the form of dyslexia has turned into a life's dream. She first started writing in the form of poetry and soon found a taste for horror and romance. Afterlife is her first book in the series of seven, with the story of Keira and Draven becoming ever more complicated in a world that sets them miles apart. When not writing, Stephanie enjoys spending time with her loving family and friends, chatting for hours with her biggest fan, her sister Cathy who is utterly obsessed with one gorgeous Dominic Draven. And of course spending as much time with her supportive partner and personal muse Blake who is there for me no matter what. My Love and devotion is to all of my wonderful fans that keep me going into the wee hours of the night but foremost to my wonderful daughter Ava...who yes, is named after a Demonic bird. Afterlife Saga is going to be 7 books in total and at the moment is working on book 6.
