KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Love conquers allVon SelmaI can't emphasize enough how much I loved this book! It's the story of Kari Stanley and Maxwell Jacob Quinn. These two are deeply in love but they are keeping secrets from each other. Max is blaming

himself for something that happened to his sister and her best friend a few years ago. This guilt is eating him from the inside. He doesn't want Kari to know the truth, because he is afraid that she will change her opinion about him being a honorable man. Kari has endured a huge loss and betrayal in her past and has suffered for years. She thinks that a woman with emotional scars like her doesn't deserve a perfect man like Max. Kari believes that she can't give Max what he wants and is therefore ready to let him go. Luckily he doesn't intend to do anything like that. Max knows that Kari is the one for him and he is hell-bent to convince her that they are end game. Of course this is not easy to do if people from your past and present are intervening and trying to prevent your happily ever afterMax is a perfect gentleman, caring and loyal. He leaves sticky notes everywhere for Kari and asks her constantly to marry him. Max knows that Kari is keeping a major thing from him which has something to do with her past. He wants her to tell him the truth but he doesn't want to push her. Readers be warned, you will fall in love with Max from page one!Kari is lovable, courageous and selfless. She has a good heart that is simply afraid to be broken again. Kari has been through so much and wasn't able to share it with anybody. She loves Max and she is aware of the fact that he is the best thing that ever happened to her. You will love Kari and want to hug her even more after the secret she is harboring has been revealed!Kari's and Max's story is full of emotions, but there is also humor that will crack you up. The bromance between Max and his best friend Cane is fantastic. These two men are complete opposites! Their dialogues and scenes in the book are simply great and entertaining.I highly recommend everyone to read this novel and become acquainted with the amazing talent of Adriana Locke! I am looking forward to read more of her work in the future.
