Von Kate Forster : The Perfect Retreat before purchasing it in order to gage whether or not it would be worth my time, and all praised The Perfect Retreat:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Wow:)Von AgiI received a copy of this book in exchange for a review.I haven't read Kate Forster before (shame, shame, I know) so I didn't know what to expect. First of all, I was drawn to this book by its wonderful cover (yeah, I

know, how old am I??? But anyway, the cover is brilliant) and then I read a synopsis. And then I started to read. What can say, this book have me hooked from the very first page. There was not a moment that I've lost my interest or was bored. The writing was just flowing, it is written in a magic way, I just wanted to read, and read and read. The characters were great and they were really developing through the whole book. At the beginning I didn't like Willow at all, she was so selfish and childish but she must have grow up and it was really great to see how she is fighting. At first I thought, Merritt, oh my, what a bore and then quickly I took my words back. No bore at all. The children were great, Poppy was a real character, I am already scared when I think that my Sophie can be like her in the future:) There are a lot of characters in this book actually, but each of them brings something with them. All are connected with each other, there is a lot of drama but also a lot of funny moments. What I especially liked about this book is that Kate Forster is writing about really important issues, such as illiteracy and autism, and not only about trivial stuff. What I missed in "The perfect retreat" is Kerr stirring much more troubles. After his phone call I was expecting much more action about children but there wasn't any, and this is why I give this book 4.5 stars. It was really a great read, about people who must really fight for their lives, feelings, families.

Kurzbeschreibung Full of sex, secrets and scandal, this new novel from e-book sensation Kate Forster, will have you hooked. Can you live on love alone? Willow Carruthers British Oscar winner, style icon and mother of three is facing a crisis: she's broke, discovery of her partner's infidelity has left her a single mother and, if the banks have their way, she's about to be homeless. Meanwhile nanny to Wilow's children Kitty, is desperate to keep her job and knows just the place they can retreat to her crumbling ancestral home in the Bristol countryside, Middlemist House. To both women in their hour of need, the idea of leaving LA seems brilliant in theory, until Kitty's brother Merritt returns home unannounced. From London to L.A, The Perfect Retreat is pure escapism - full of sex, scandal and intrigue. Pressestimmen 'This beautifully descriptive and touching story about love and hope is fabulous sunshine reading.'
