**Von Mark Gimenez : The Perk (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Perk (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Gimenez mit seinen guten aber leider auch den schlechten SeitenVon nwVorweg: Gimenez liest sich gut, die Handlung ist ok an der Grenze zu rhrselig.Von den frheren Anwalts geschichten ist nicht mehr viel brig, es geht wie blich um Texas

Football, Korruption und darum, seinen Kindern abends immer noch in die Augen schauen zu können. So weit so Gimenez. Der eigentliche Kriminalfall, der Tod eines 16-jährigen Mädchens an den Umständen der heutigen Gesellschaft (natürlich in Person eines durch und durch "verdorbenen" Mannes), geht fast unter, die Aufklärung ist sehr unspektakulär. Natürlich kommt der Bsewicht nicht ohne Strafe davon - und da war für mich der Punkt erreicht, wo die Sterne von durchschnittlich zu schlecht gestrichen wurden. So demmlich darf man heutzutage nicht mehr über Krankheiten schreiben, schon gar nicht um sich so eine plumpe moralische Bestrafung aus den Fingern zu saugen. Ob ich noch mal zu einem Gimenez greife, weiß ich nicht... das Ende hat mich zu sehr verrückt. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Read it and you will enjoy it Von Roger A lawyer running for a fortune and his career is forgetting about his family. In thinking he is doing best for his family he does not recognize the needs of his family and especially his wife. When his wife dies of cancer his life is changing very rapid. He is seeking help from his father to whom he had not contact for half his life. He experiences great help from his father and learns something special about his wife, what he did not know. In Fredericksburg he is not seen as a goat ranger and many old friends see the chance for a change in town. Taking the job as a judge his life is again turning in another direction. The plot is very well written and interesting to read. It reveals many secrets of a 'sleeping' town no one might think about. But it shows how small town work. I enjoyed reading very much and hope you will too. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Pleasant reading. Von Willy Gerber Very pleasant reading, in spite of many obvious story developments. For instance, when Jodie is introduced to the hero of the book as a lesbian, it has to be immediately clear for any reader that she is in fact no lesbian and will be, sooner or later, his woman. On the other hand the villain being infected with AIDS by his own victim, after avoiding indictment, is a surprising ending. Gimenez is always at his best with courtroom scenes. Pity that there are so few.

Kurzbeschreibung Beck Hardin returns to his Texas hometown - and his estranged father - after the death of his wife leaves him with two children to raise. The town is still reeling from the murder of sixteen-year-old Heidi, whose father - Beck's old college friend - asks Beck to help him find Heidi's killer before the statute of limitations runs out. Meanwhile, Beck is pushed into becoming town Judge, and he makes some powerful enemies amongst the rich white landowners when he refuses to condone their treatment of the Mexican workers of the town. As events escalate, the landowners carefully plot their revenge... Pressestimmen As ever, Gimenez is highly recommended, impossible to put down and definitely not to be missed. \* CrimeSquad \* Remember when John Grisham exploded on to the courtroom drama market with novels of breathtaking brilliance? Lightning just struck twice. \* Daily Record \* Pressestimmen An exceptionally well-crafted novel, populated by a cast of characters that are realistically drawn and appealing Civilian Reader.com
