Von Paulo Coelho : The Pilgrimage (Plus) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Pilgrimage (Plus):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. nice book.Von Alterwell, hard to write about paulo coelho.. you gotta read it. as for book - nice book, with pages and words composed of letters...as for seller - smooth transaction, fast shipping.Thanks2 von 2 Kunden fanden die folgende Rezension hilfreich. A very interesting book for the message and story alike.Von Ein KundeI have read Brida, the Alchemist, The Valkyries and The Pilgrimage which is the most outstanding (all of them are great).I thank

Paulo Coelho very much for his messages. Just say, it is worth it to read it, but if you dare to believe, as I do, you can go further, if not, don't worry, it's in no way a boring book. I suggest you to take the Road to Santiago after reading it. This book has made me to change a lot, and I promise, it's being a great change. I strongly recommend this book for those who don't know what to do with their lives or are full of doubts about their future. This book is helping me to find my way and to look at the Road and pay more attention to myself and my inner soul. But it's not just to read it, it needs practice, faith, will and time. I think it pays off, because what really matters in life? what we have in the material world or what we can achieve in the spiritual and psychological world? This book deals with the latter. It's your choice. Good luck!

The setting is the famous "Camino de Santiago" across Northern Spain -- a journey which has inspired legions of pilgrims over a period of many centuries. The fantastic setting is only the beginning, however, as many a life-changing event have happened to those brave enough to make this lengthy pilgrimage and complete it. Paulo Coelho leaves the reader almost breathless at times with details of his own experiences along this historic path, from tentative beginning through to the surprising finish. Even for those hailing from other spiritual paths (i.e. non judeo-christian) this book will provide a thrill as the message of "Fighting the Good Fight" in search of what's important in life is one that speaks to all of us. Magnificently written!

Kurzbeschreibung Here Paulo Coelho details his journey across Spain along the legendary road of San Tiago, which pilgrims have travelled since Middle Ages. On this contemporary quest, he encounters a Chaucerian variety of mysterious guides and devilish opponents and learns to understand the nature of truth through the simplicity of life. The Pilgrimage holds an important place in Paulo Coelho's literary canon. His first book, it not only paved the way for his phenomenal novel *The Alchemist*, but it also fully expresses his humanist philosophy and the depth of his unique search for meaning. Pressestimmen An exciting tale. (Library Journal) A universal quest toward an expanded view of life. (Dan Millman, author of *THE WAY OF THE PEACEFUL WARRIOR*) The keys to self-mastery... wrapped in suspense and adventure. (Body Mind Spirit) Among Latin American writers only Columbias Gabriel Garcia Marquez is more widely read than Brazils Paulo Coelho. (The Economist)
