**Von Jack Cavanaugh : The Pioneers (American Family Portrait Book 5) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Pioneers (American Family Portrait Book 5) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A great part of an excellent seriesVon figgyI enjoyed every step on Jesse Morgan's adventure. There were surprises all along the way. Each time I read it, it keeps getting better. I wish there were more books in this series because I have read

each one many times. (Maybe Mr. Cavanaugh could start with Amos Morgan and work backward.) I love the way he develops the characters and the plot. Keep it up, Mr. Cavanaugh!

Kurzbeschreibung In an age of sweatshops and oppressive factory conditions, tenement dwellers cling to dreams of better days. One such dreamer is Jesse Morgan. But when a real-life act of heroism goes terribly wrong, Jesse flees New York's east side for the pioneering West. Unknown to him, he is pursued by Emily Austin, who loves him; by his mother; by an unsavory detective with a personal agenda; and by God, the most formidable pursuer of all. From New York tenements to riverboats, to wagon trains, to railroads and open buggies, the chase is on and will not end until Jesse learns what it means to live in the shadow of the Morgan legacy.

Kurzbeschreibung In an age of sweatshops and oppressive factory conditions, tenement dwellers cling to dreams of better days. One such dreamer is Jesse Morgan. But when a real-life act of heroism goes terribly wrong, Jesse flees New York's east side for the pioneering West. Unknown to him, he is pursued by Emily Austin, who loves him; by his mother; by an unsavory detective with a personal agenda; and by God, the most formidable pursuer of all. From New York tenements to riverboats, to wagon trains, to railroads and open buggies, the chase is on and will not end until Jesse learns what it means to live in the shadow of the Morgan legacy.

Synopsis When an act of bravery appears to result in tragedy, Jesse Morgan flees the tenements of New York's Lower East Side for a life of anonymity on the Great Plains, but little does he realize that he is being followed.
