Von Sabrina Jeffries, Deborah Martin : The Pirate Lord (The Lord Trilogy) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Pirate Lord (The Lord Trilogy):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A ROMANCE, ADVENTURE AND EDUCATION ALL IN ONE!!!Von Ein KundeMy co-worker made so much noise

while SHE was reading it, I got a copy of my own. I was surprised at how wonderful it was!!! Sara has class AND sass, and her intentions over the prison ship was so virtuous. Gideon, hardened by circumstance, can't help but to fall for her, and those 2 made some serious fireworks!!! Ms. Jefferies not only enthralls you in the romance, but gives you lessons on the times and sweeps you into the time period. The ending, and their reunion, was priceless. If you want to get lost in a fantastic book, get it already!!! You won't be sorry!!!

Miss Sara Willis is a reforming young woman who causes endless headaches for her stepbrother, the Earl of Blackmore. Her latest scheme is to travel on a convict ship full of women to make note of the conditions, give them some education and to try to ensure their safety when landing in the antipodes. She manages to persuade her stepbrother to allow her on the ship but he makes sure one of the crew is going to look after her. However no-one expects the ship to be boarded by pirates and the women to be kidnapped. Captain Gideon Horne, known as the Pirate Lord, has a hatred of the English aristocracy and has plundered many ships belonging to nobles. However he and his pirate crew want to settle down on the island paradise they have found - but not without women. When they discover the convict ship full of women it is too good an opportunity to miss! But Gideon hasn't reckoned with Sara Willis and her care for the women. Sara and Gideon are locked into a battle of wills as she tries to protect the women and he tries to encourage them to live the utopian life on his island, Atlantis. But Gideon and Sara might be getting more than they bargained for when they spend so much time together - can Gideon's distrust of the aristocracy and the wounds of childhood be overcome? Can Sara find happiness so far from her life in England? This was an enjoyable story if rather far-fetched (I can't imagine any brother would have allowed his sister to be a passenger on a convict ship, for example). The characters were interesting although many seemed rather stereotypical, but the central love story worked quite well and the verbal sparring between Sara and Gideon was well written. The revelations about Gideon's past were perhaps rather too convenient for this story but overall it was a good read and I enjoyed it. Von Ein Kunde I couldn't put the book down, Sara and Gideon were two stubborn people who couldn't admit the love they share when they saw each other on the "Chastity". Gideon was the expected hero and Sara was the right woman who needed rescuing. You will not be disappointed with this love story.

Kurzbeschreibung A Splendid Opportunity A shipload of women theirs for the taking! Pirate captain Gideon Horn couldn't be more delighted. His men are tired of wandering the high seas and want to settle down with wives on the uncharted island paradise they've discovered. And the women are bound to be grateful to be rescued from the life of drudgery awaiting them in New South Wales . . . Lord, he's so clever! A Splendid Passion Married? To pirates? Sara Willis couldn't be more appalled. First she demands proper courting at least a month. The darkly handsome pirate lord gives them two weeks. Then Sara insists the men vacate their huts for the women Gideon demands her kisses in return. As the demands heat up, so do their passions and soon Sara can't remember just why she's fighting the devilishly seductive captain so hard. . .
