**Von Pauline M. Ross : The Plains of Kallanash (Brightmoon Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Plains of Kallanash (Brightmoon Book 1) (English Edition):

One of the best books I found on KU so farVon Avid ReaderI loved the worldbuilding here, especially the shocking elements like group marriage and killing of companions when their master dies. The heroine, Mia, takes a long time to be jolted

out of her naivety, but despite the length of the book I was not bored for a moment. I eagerly look forward to the rest of the series.
