Von Evie Hunter : The Pleasures of Spring before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Pleasures of Spring:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great book Von NLB The Book: I really like the cover. It's simple with just the authors name, the title and the water lily. The colours of the water lily and the fonts look good together- especially with the black background. As far as I can say, the quality of the book is good. It still looks like new after I've read it and shows no sign of use. The story: The story

begins and ends with the point of view of Roz Spring aka Roisin Philomena O'Sullivan- Spring. But it's not only Roz the reader gets to know. There is also Andy McTavish whose point of view changes with the one of Roz'. Already for some time on the run, Roz finds herself back in England. There, she keeps a low profile. She is hiding- hiding from Andy McTavish and J. Darren Hall. But while Andy wants to find her to help her, Hall is looking for her for some other reason. Hall wants to kill her. He wants to kill her, because Roz witnessed him killing a man and Andy and his boss wants her to testify. But she doesn't. Roz doesn't want to testify. Cause that would tell Hall where she is. That would make it easier for him to find and kill her. So she's hiding, working at places where there's no name needed, she steels, but just from people who can afford it or are too bad to others. She's like a female Robin Hood, although it's still illegal. While Roz and Andy already met before and were attracted to each other, the surprise when they met again while some jewellery is robbed, is big. Andy thinks he finally found her but when she slips away again and was chased by Hall, she goes to Ireland and works on a movie. For some reason Roz texts Andy and this becomes the start of something more. They write, they flirt and they tease each other. But both don't want to fall for each other. Both don't want a relationship and after Andy found her in Ireland on this movie set and got hired as well, the feelings and sexual tension get stronger. When Hall turned up on the movie set, Andy and Roz couldn't do anything else than run away and hide at Andy's parents house. There, both pretend to be in love and engaged. But the more they spend time together the more they feel for each other. The problem is just that they are afraid of feeling something and think that there couldn't be a future for them as a couple. And then.... What do you think? I think you should read to find out what happens. Will Roz run away from Andy again and hide or will Roz and Andy find each other and have a happily ever after? Will Roz testify or is Hall going to find and kill her? What does the O'Sullivan's have to do with Roz and what's the story behind Roz' past? Why didn't Roz lived with her twin sister and why is her father in prison? And who is Frankie and why are there any horses in the story? Well.... I won't tell. You should read the book. My opinion: I liked the book. The story was different to some other books I've read and that was a nice change. In my opinion it was well written. It was easy to like the characters. I can't complain much. I just missed something but can't say yet what exactly. That's why I rated it just with 4 stars0 von 0 Kunden fanden die folgende Rezension hilfreich. Great story! Von Sole Have been reading it since it downloaded on my Kindle. Could simple not put it down. I also love that it takes place in Ireland and Northern Ireland. I also enjoy how the characters evolve and enjoy in different ways!

Kurzbeschreibung An invitation to the hot and steamy world of bestselling Irish erotica author Evie Hunter... 'More colour and better written than EL James and a more exciting read than any of Sylvia Day's books' Irish Independent 'A BDSM masterpiece' Sunday World 'A must-read if you enjoyed Fifty Shades of Grey' Irish Daily Star He picked up her hand where it grasped the water glass, felt her pulse and looked into her eyes. 'You don't want a man with manners. You want someone who will let you walk on the wild side, who knows what you're really like ...' Roz Spring is an actress and a chameleon, the kind of woman who always lands on her feet. But even Roz can't talk her way out of witnessing a murder, and she must go into hiding before the murderer comes for her. Andy McTavish has turned his back on a life of privilege to prove himself in the world of international security. Tall, dark and dangerous, Andy is the ultimate seducer who has never met a woman who can tame him. Roz needs his protection and, to get his family off his back, Andy needs a fake fiance. The solution is obvious: pretend to be a couple. Getting up close and personal won't be hard, as the chemistry between them is electrifying. As two practiced charmers drive each other beyond the limits of sensual endurance, they find their usual defences are no good. When the barriers come crashing down, a raw passion emerges that neither wants to admit. They know that when the murderer shows his hand, they will face a fight for life and freedom. And if they survive, what will happen when the need to pretend is over? The Pleasures of Spring is the latest sizzling standalone novel from Evie Hunter whose trademark combination is an addictive erotic story and a page-turning plot. If you're an Evie fan, you won't be disappointed. And if you're new to Evie, well, you're in for quite the delicious treat... PRAISE FOR EVIE HUNTER: 'As near perfection as a Suspense/Romance/Erotic/BDSM novel could EVER get!' Ripe for Reader 'Every delicious moment comes with amazing tension and believability ... masterfully written, artfully told, and yummy to read.' My Book Boyfriend 'All I can say is, holy yowza, Batman! Yes, this book falls firmly into the 'What to read after Fifty Shades of Grey' category, but in my opinion ... this book blows Fifty Shades out of the water. I unabashedly adored this book.' This Bookish Endeavor 'Danger, heat, obsession and unexplored desires come together to form a combusive and sizzling tale, not soon forgotten.' Romancing The Book 'One of those rare books that has stolen my heart, my mind and my soul ... a flawless, exciting and down-right steamy read that will stay with you long after your finish.' Totally Bookalicious Pressestimmen 'As near perfection as a Suspense/Romance/Erotic/BDSM novel could EVER get! (Ripe for reader.blogspot on The Pleasures of Autumn) Every delicious moment comes with amazing tension and believability. Wow, step aside Gideon Cross, there is a new man in town ... masterfully written, artfully told, and yummy to read. (Mybookboyfriend.blogspot.co.uk on The Pleasures of Summer) I just couldn't put it down and I can easily say that Evie Hunter's books are so much better than the Fifty Shades series thanks to the fantastic storylines and wonderful characters. (Memybooksandi.wordpress.com on The
