Von Michael Ridpath : The Polar Bear Killing: An atmospheric novella set in the remote north of Iceland, from the author of the chilling Fire Ice crime series and featuring ... Ragnarsson (Kindle Single) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Polar Bear Killing:

An atmospheric novella set in the remote north of Iceland, from the author of the chilling Fire Ice crime series and featuring ... Ragnarsson (Kindle Single) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. WorthwhileVon Katrinhal enjoyed this novella immensely. It is a typical Ridpath but a bit lighter than the novels. It is written in the viewpoint of Vigdis and Magnus comes in much later not as the texts suggests. Vigdis is an intriguing character to me in the series and I enjoyed it greatly to get a bit more insight in it and accompany that remarkable woman for a longer bit than in the novels so far. Of course the case is well thought through and leaves you in suspense until the very last moment. If you are unsure please let me tell you to go for it. Make yourself a cuppa, snuggle up on the sofa and have a shawl or blanket ready: Iceland is a cold place!0 von 0 Kunden fanden die folgende Rezension hilfreich. Nette KurzgeschichteVon FridolineDas Buch ist sicherlich nicht als Einstieg in die Island-Reihe Ridpath's geeignet, da fters auf Dinge in der Vergangenheit Bezug genommen wird, die man nur wirklich verstehen kann, wenn man die vorherigen Bcher auch gelesen hat. Aber dann ist es eine nette, kurzweilige Ergnzung.

KurzbeschreibungWhen a polar bear is sighted in a sleepy Icelandic fishing village, then shot dead by local policeman Constable Halldr, it triggers a debate in the local community. Was Halldr a hero for killing the bear, or should the animal have been protected? Animal rights activists in the area see the constable as a villain, and when days later the dead body of Halldr is discovered at a remote beauty spot, the activists are immediately under suspicion. As Sergeant Magnus Ragnarsson and his colleague Detective Vigds Audardtti begin to investigate the policeman's murder, they soon discover that things are not as clear-cut as might first appear. By degrees, Magnus and Vigds are drawn into this small and complex community - one riven with rivalries and grudges - in search of a deadly killer...KurzbeschreibungWhen a polar bear is sighted in a sleepy Icelandic fishing village, then shot dead by local policeman Constable Halldr, it triggers a debate in the local community.
