Valentine has once again excelled in writing classy erotica! Von Ein Kunde The Possession of Celia is a worthy successor to The Captivity of Celia. Sir Jason, Colin and the delicious Celia have moved on to the French countryside, where Sir Jason - as a form of revenge, does his best to expand Celia's erotic horizons. And what revenge! Celia excels

in her new role, finding the delights of her own gender nearly as pleasureable as the delights she shared with Sir Jason and Colin. But just when you begin to think that she has at last found her paradise, a mysterious stranger arrives on the scene, changing the dynamic of the Hardwicke household.
