I cried so hard I woke my husband up. The sequel The Crossroad is even better! But will make no sense without The Postcard. A must READ!0

Von Ein Kunde Beverly Lewis did a superb job in her 3 book Amish series, Shunning, Confession and Reckoning.....I suspect this new series will be equally as good when it actually gets into the story line.....but I really felt The Postcard wasted way too much time getting to the heart of the 2 main characters. However, there are a lot of unanswered puzzles still to be explored when the sequel comes out next month, September or maybe October. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Splendid book on understanding the life of the Amish Von Ein Kunde This is a fine book which I can enthusiastically recommend about the life of the Amish in Pennsylvania. Superstitions such as pow-wowing and sympathy healing are thoroughly delved into. The differences between religion and good works vs. a close personal relationship with the Lord Jesus Christ are another theme. Despite these serious issues, the writing is light-hearted and thoroughly enjoyable Christian fiction.
