Von Ellis Peters : The Potter's Field (Chronicles Of Brother Cadfael) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Potter's Field (Chronicles Of Brother Cadfael):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Compelling and Touching MysteryVon Ein KundeThis is the first Brother Cadfael I have been talked into reading, and I loved it. The characters are compelling and touching and the perpetrator of the crime is understood by the Benedictine monks, and, thus, the reader. It's the mystery that sucks you in, but it's the character development and the

way the author tells of Medieval life that are the value here, I think. At the end, I teared up a bit. I'm anxious to read more about Brother Cadfael and his colleagues!
0 von 0 Kunden fanden die folgende Rezension hilfreich. Peters in full bloom.
Von Ein KundeA particularly good effort by Peters. In addition to her intriguing characters and historical backdrop, she gives us a good murder mystery as well.
0 von 1 Kunden fanden die folgende Rezension hilfreich. The Plotter's Field
Von Ein KundeThe plot is a bit worn thin, but Peters keeps up the interest with a good set of engaging characters and her marvelous use of language. Still a worthwhile investment.

KurzbeschreibungAugust, 1143. During the ploughing of Abbey land, the hastily buried remains of a woman's body are unearthed. Uneasiness pushes Brother Cadfael to find the whole truth behind this unexpected discovery.
PressestimmenA pleasing and unusual mixture of suspense and historical fiction. (EVENING STANDARD)
WerbetextIn his seventeenth chronicle Brother Cadfael is asked to help identify a corpse found on Abbey land and discovers that it is the least baffling facet of a mysterious murder.
