Von Jackie Collins : The Power Trip (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Power Trip (English Edition):

JackieVon AgiThere is only one Jackie :)After reading the Prologue I was just twitching to have a pick at the end of the book to see who was this about, but didn't do it :) Thanks God. Because reading the book further and further I had two people who just played soooo much on my nerves and I could bet it was one of them. And I was

right:) Anyway, a typical Jackie book. A lot of people, a lot of adventures, a lot of tension rising to the climax, but here it was a real tension, the pace was just brilliant, the happenings perfect and I couldn't wait to turn the page to see what's going to happen. I loved the characters, I hated the characters, you just can't stay neutral to any of them. And one of those that I hated most was Ashley, I'm sorry, she was a no-go, always unhappy, always snotty, treating the poor Taye like a money-machine. and speaking about Taye, well, well, well :) So in short, much better book than her last one, and to be honest, I didn't figure that the action will end like this. I have expected something totally different and got something other, and it was a super idea, what with the yacht and this what happened at the end of the book. Waiting already for the next book:)

Von Tilman Schneider

Der russische Billionär Aleksandr Kasianenko hat sich eine neue Yacht zu gelegt. Seine Freundin, das Mega Supermodell Bianca und er laden ein paar Paare ein, um die erste große Fahrt zu machen. Ein pedantischer Senator und seine liebenswerte Ehefrau. Ein extrem heißer Footballer und seine blonde Frau. Der gefeierte Latinstar Luca und sein langweiliger Lover. Der attraktive und geheimnisvolle Journalist und Abenteurer Flynn mit einer Alibi-Freundin. Der heiße Filmstar Cliff mit seiner schönen Freundin Lori. Sie alle besteigen die Luxusyacht und machen sich auf, zum Trip ihres Lebens, denn im stillen lauert schon die Gefahr, denn Kasianenko hat Feinde. Und nicht nur das, auch auf dem Schiff geht es heiß her. Schneller Sex, außereheliche Aktivitäten und alte Freund-, Feind-, und Liebschaften blühen wieder auf und am Schluss muss jeder um sein eigenes Glück, sein eigenes Leben kämpfen. Jackie Collins hat wieder einmal einen Erotikthriller der Extraklasse geschrieben und man wird in einen Sog aus Macht, Sex, Gier, Rache und Luxus gezogen. Leider nur auf Englisch erschienen

Von NJI have been a huge fan of Jackie Collins' books for years and have read them all. "The Power Trip" is one of the better ones she has written in recent years: Great characters, an interesting storyline, a style of writing that outshines that Fifty Shades of SM in a second... I especially liked the idea of including piracy in the book. But here comes the BUT: the ending is rather sudden and contrived. I missed the detailed description of the final crisis that she gave the reader in "Lovers and Gamblers" (one of Collins' best moments as a writer in my opinion). So yes, it is a good book and a nice Christmas present, but it does have a slight flaw.

Kurzbeschreibung

A Russian billionaire and his state of the art yacht. His beautiful and sexy supermodel girlfriend. And five dynamic, powerful and famous couples invited on the yacht's maiden voyage. A senator and his lovely but unhappy wife. A very attractive movie star and his needy ex-waitress girlfriend. A famous black footballer and his interior designer wife. A male Latin singing sensation and his older English boyfriend. And a maverick writer with his Asian journalist female friend. Could this be the trip of a lifetime? Or could this be the trip from hell? Whatever happens on the high seas doesn't necessarily stay there. The Power Trip - take it if you dare.

Pressestimmen

"Climbing aboard with this sea of extravagant creatures, whose sexual tastes lie on the fringe of raunchy, is abashedly rousing, and what more could one hope for from Collins?" "Publishers Weekly"

"The queen of chronicling the lives of the jet set, Collins toggles rapidly between plotlines, keeping the action moving and the sex abundant. Glitzy and exciting." "Kirkus"
