Von Sharon Galligar Chance Best-selling author Anne Eames delivers another of her patented delightful romances with her latest literary offspring, "The Pregnant Virgin." Eames introduces her readers to a charming new couple in the form of prospective parents, the headstrong Ali Celeste and her handsome doctor-beau, Brad Darling. Already a doting aunt, Ali knew she was ready to have a little one of her own, and in her work at Detroit's Midtown Hospital's Fertility Clinic she knew how easy it would be to accomplish her goal of becoming pregnant, even though there was no one special in her life. No one, that is, until Brad Darling enters the picture. Brad Darling is

struggling to get by during his tenure of medical residency and has no plans or time for love or a family. Financially strapped, he visits the sperm bank at the hospital where he works to become a donor. Little did he know he would meet the angel of his dreams in the celestial Ali Celeste. Sparks flew. But when, after only a few dates and one sensuous encounter, the virginal Ali announces she is pregnant with his child, love definitely takes a u-turn for Dr. Darling. Will he come to his senses in time to make a life and future with Ali and their soon-to-be-born son? This first book in Silhouette's new "The Baby Bank" series, Eames' charming story sets the tone for what promises to be a fulfilled, love-enhanced series. Filled with romance and humor, Eames' "The Pregnant Virgin" is a wonderful read. Bring on the Babies!

This Dr. Darling (what a name!) didn't recognise 20-week-pregnancy from a 8-week. When he was wondering this thing what does he do? Instead of going to library and studying some medical reference he asks as stupid-a-friend of his. Then the heroine... she was naive. This pair deserved each other and I think they lived happily ever after.

Kurzbeschreibung Working at a sperm bank had its benefits Ali Celeste could start her pregnancy without waiting for Mr. Right to show. But once "Project: Baby" was under way, Ali met handsome clinic donor Dr. Brad Darling. And she couldn't deny the sparks that flew between them .After one unplanned passionate night, Ali discovered she was pregnant with Brad's child. But when Brad calculated, he thought he wasn't the father and that Ali wasn't as innocent as she claimed. Now Ali had to convince Brad she hadn't planned a marriage trap, but that fate and modern medicine conspired to bring these soul mates together forever .
