Von Johanna Lindsey : The Present (Malory-Anderson Family Book 6) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Present (Malory-Anderson Family Book 6) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Loved it,

wish it could've been longer...Von Tracy TalleyI loved this 6th installment of the Malory's. I only had one complaint, it was summed up pretty much and the story was rushed. I definitely liked it a lot better than Say You Love Me. Please write more Ms.Lindsey.1 von 1 Kunden fanden die folgende Rezension hilfreich. A present for all the fans of the MaloriesVon Ein KundeI did not intend to like this book. I thought it was too short to incorporate all the beloved characters of the Malory novels AND a new romance. I also heard that it was not as inspired as almost all of the Malory novels are. Now that I have read it, I can say with certainty that I love it and think that it follows well in the Malory tradition.Although the characters that I came to know and love are not featured as much in this novel, just their names are enough to bring back the flood of pleasure that I felt when I was reading the first five novels. James and Anthony are delightful as always. My favorite heroines, Amy and Reggie, are as plucky as ever (what happened to James' calling Reggie Regan?). Jeremy is lurking in the shadows to erupt as the greatest romantic hero ever, since James in any case. It is great to see Jason and Molly getting together, because these "elders" deserve some happiness.As for the new romance, I love it. Anna is a wonderful heroine, completely refreshing and even more brazen than Amy. Christopher is complicated, not unlike his descendants but quite unique. I wish that their romance was not as quickly told and resolved, but I was still satisfied by it.My only concern was about Molly being a part of the family. Throughout the book, she is treated like a servant, yet apparently everyone thinks that she is a part of their family. I also did not like that Derek pays so little attention to his mother. By watching Jason people can tell that he has special feelings for Molly, yet Derek does not show enough emotions.As for the younger generation, I CAN'T wait to get to their stories. I can just imagine how hilarious James and Anthony are going to be when Jack and Judy fall in love. I also wouldn't mind for ALL of the Anderson brothers to find romance. But first, there needs to be a story for Jeremy. He is too perfect to waste.I would like to respond to those who said in their reviews that they think James and George's spat was ridiculous. Obviously, we need to suspend disbelief when reading these novels, but I actually found the reason for George's anger (or more aptly, confusion) quite plausible. I won't reveal what it is since there are people reading this review who have not read the book yet, but I think that in her state of mind, George was somewhat reasonable. In any case, who cares as long as they patch things up. Also, to those of you who think that the book repeats too much of what happened in the previous installments, I think that these recaps are necessary for people who either have read the other books long ago and don't remember what exactly happened to whom or have not read all the books. In either case, these recaps do not take anything away from the book in hand.I recommend this book to anyone who loves romance and the Malories.1 von 1 Kunden fanden die folgende Rezension hilfreich. Absolutely delightfulVon C. WilliamsThis isn't a typical Lindsey storyline full of steamy sex scenes. It's a small piece of history for the Malory clan. This is a sweet romance about a marquis who believes the adage that "it's just not done" and a gypsy who leaves the only life she knows to escape a cruel fiancé. This is a wonderful story about losing your heart and overcoming social barriers. I hope that this isn't the last of the Malory novels because I am just dying for Ms. Lindsey to write the story of James Malory's son, Jeremy. Anyone who loves the Malories will love The Present.

KurzbeschreibungAs the entire Malory family gathers at Haverston to celebrate the season, a mysterious present arrives anonymously. The gift is an old journal -- a tender and tempestuous account of the love affair between the second Marquis, Christopher Malory, and a dark gypsy beauty named Anastasia, who seeks a love match with a non-gypsy in order to save herself from a prearranged marriage to a brute. Though the dashing English lord Anastasia sets her sight upon burns for the exquisite, exotic miss, Christopher could never consent to wed such a lowborn lady. But miracles have been known to happen in this season of peace and giving and love, as two extraordinary people separated by circumstance of birth begin a passionate dance of will and wiles. And in the miraculous blossoming of a glorious romance at a long ago Christmastime, there are wise and well-learned lessons that will enrich the hearts of the Malory descendants -- and, indeed, of everyone who has ever dreamed..deThe Present finds the Malory clan gathered at their ancestral estate to celebrate the holidays. To add to the excitement, a beautifully wrapped gift has mysteriously appeared in the parlor. No one knows who placed it there and Jason Malory, the eldest and only permanent resident of Haverston, has no inkling that the intriguing package is about to change his life forever. What connection does the gaily wrapped gift have with the unmarked grave in the meadow? Was the great-great-grandmother of this generation of Malory's a Gypsy or a Russian Princess? Or both? How will the Malory clan accept the secrets revealed by this wonderful Christmas gift? The Present is a charming, warm, and amusing visit with the much-loved members of the fascinating Malory family. --Lois Faye Dyer.comThe Present finds the Malory clan gathered at their ancestral estate to celebrate the holidays.
