make old maid big sister Sam feel all crummy and shelved. Enter Brian Morton. He is bewilderingly gorgeous, fantastically rich, razor-tongued snarky and utterly promiscuous. To be Sams slave for the weekend . . . and to do anything she wants. Sam has just found her pretend boyfriend for her sisters party. And Brian has just found that the woman he used to call Jaws in school (for her braces) packs a helluva bite. THE PRETEND BOYFRIEND is a 25,000-word erotic romance short novel.
