exception! This will definitely go on my keeper shelf. The book is about an imperious, but handsome millionaire attempting to get back a piece of his heritage, an island in Greece. Mia, the heroine of the story is the daughter of a wealthy, but cold-hearted father who makes her a part of the deal with the hero to get the island back. Great dialogue and heaps of sexual tension make this one a winner.0 von 1 Kunden fanden die folgende Rezension hilfreich. Great passion book!Von Ein KundeJust finished reading this book. The heroin's life seems so awful in first part (almost crying) but then everything is better....A very fun fast page book...

KurzbeschreibungForced to marry! When Mia Frazier agreed to her father's demand to marry Greek millionaire Alexander Dumas, she knew both men stood to gain from the deal - Alex would win back his family's island, and Mia's father would get the grandson and heir he so desperately longed for. But what about Mia?She had her own reason for agreeing to be Alex's wife - which was not financial gain, as Alex cynically believed. But how could the truth stay hidden, when she shared such intense passion with her new husband and was now carrying his child?KurzbeschreibungForced to marry!
