Von Vicki Hopkins : The Price of Deception (Book Two The Legacy Series) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Price of Deception (Book Two The Legacy Series) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Historischer Roman ist etwas hoch gegriffen.Von ElenaDSHEine nette Romanze, auch wenn ich immer wieder

Schwierigkeiten hatte, welchem der männlichen Protagonisten ich die Fahnenstange halten sollte. Gut und böse waren sie abwechselnd beide. Am meisten irritiert hat mich, da ein kleiner 5-jähriger Franzose auch Englisch sprechen kann oder auch nicht. Stellenweise ist die Kommunikationsstrategie nicht ganz schlüssig. Band 3 werde ich mir wohl nicht mehr kaufen. 2 waren gut und haben Spaß gemacht, aber sonst wird's zu viel.

Kurzbeschreibung Five years after releasing the love of his life to another man, Robert Holland struggles with remorse about his past decisions. Chained in a loveless marriage of convenience and strangled by duty, he wallows in regret and drink. Everything in his life changes, when on holiday in Paris, he meets a young boy and his former rival. Suddenly, he finds himself thrown into a whirlwind of deceit and lies as he searches for the meaning of truth and love. Just like innocence, deception carries a price. Book Two of the Legacy Series weaves a tangled web of deceit and dire consequences, which in the end rearranges everyone's life on a path of either good or evil.
