Von Seth Hunter : The Price of Glory (Nathan Peake) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Price of Glory (Nathan Peake):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
PackendVon Michael BuergenerPackend geschriebene, offenbar gut recherchierte Geschichte. Zwischen Hornblower und Richard Sharpe, auf jeden Fall verbringt Nathan Peake weniger Zeit auf See als man erwartet. Was kein Fehler ist,

die Story ist durchgehend spannend und gut, und dies gilt für alle 3 Bände. Und auch die Übersetzung ist sehr brauchbar.

KurzbeschreibungThe third novel in this epic, thrilling series of war and villainy on the high seas, featuring Captain Nathan Peake. Nathan Peake charts a perilous course through the treacherous seas off Brittany and into the even more dangerous waters of post-Revolutionary Paris. There he encounters two of the most beautiful and scandalous courtesans in history - and their little toy soldier, laughingly dubbed Captain Cannon, who is about to win enduring fame as Napoleon Bonaparte. Returned to the command of the frigate Unicorn, Nathan is sent to join another young glory-seeker, Captain Horatio Nelson, in a bid to wreck Bonaparte's plans for the invasion of Italy. But Nathan has his own private agenda - to find his lost love amid the chaos of war - and as the fighting spreads from the mountains to the sea, he discovers that glory comes at a higher price than all the gold in the vaults of Genoa.
Pressestimmen"Another slick nautical adventure in the Patrick O'Brian tradition . . . rousing naval battles, twisty plot, and muscular prose." -- "Publishers Weekly" on "The Tide of War"
