Von Peter Robinson : The Price of Love: including an original DCI Banks novella (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Price of Love: including an original DCI Banks novella (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. So gut

wie immer Von Alba Ich bin also seit langem ein Robinson-Fan und habe all seine Bücher gelesen. Wie immer spannend, sehr gut und schön geschrieben. Ein Vergnügen! Jetzt nur noch auf das folgende warten, und hoffentlich nicht zu lange warten müssen! 1 von 4 Kunden fanden die folgende Rezension hilfreich. Good short stories Von TKr The audio book starts off with two mildly interesting stories. The first one reads like a story from a 1960s comic book but not the EC variety more Tales from the Unexpected. The second story, seeing a crime through the eyes of a boy, is a nice idea but it's not very well executed as the ending is too anti climactic and predictable. But then the book really gets going. The stories are not just detective stories but very well written short stories about the nature of evil, guilt and atonement. Some have a wicked sense of humour behind them, some are bleak in outlook. The highlight certainly is the third CD with a long Inspector Banks short story about his last case with the Met. It's particularly a highlight for the audio book as no one reads as well as Neal Pearson, the authentic voice of Allan Banks.

Kurzbeschreibung When DCI Alan Banks arrived in Eastvale his life was every bit as much of a mess as it is now. But he is holding an envelope that could change everything he understood about the events that sent him north twenty years ago. Walking again the narrow alleys and backstreets of his mind, he remembers the seedy Soho nights of his last case - dubious businessmen in dodgy clubs, young girls on the game. And a killer on the loose. In addition to the brand-new novella that fills in the gaps in Banks's life before Yorkshire, Peter Robinson gives us ten more brilliant and eclectic stories that have never before been published in the UK. The Eastvale Ladies' Poker Circle finds that murder may be just another game of risk. Is a suitcase of cash worth a man's head on a plate? And tragedy leads a young boy to learn the price of love . . . Pressestimmen Outstanding story collection....Banks fans will be delighted....An excellent introduction to one of the best voices in contemporary crime fiction. (Publishers Weekly (starred review)) This collection distinguishes itself from recent crime anthologies....The final novella is a deeply satisfying procedural. (Library Journal) The writing is, as always with Robinson, colorful and evocative, and the characters are brilliant in their unpersonable way. This book is a must for Peter Robinson completists, of course, but also for anyone who appreciates good stories well told. (Globe and Mail (Toronto)) Pressestimmen 'Outstanding ... one of the best voices in contemporary crime fiction' -- Publishers Weekly 'A first class storyteller' -- shotsmag.co.uk 'After 18 tales of the fiendishly good DCI Alan Banks, the bestselling author delves into his leading man's past. For die-hard fans [The Price of Love] explains how Banks came to be in Yorkshire and how he got his mysterious scar. For the rest of us, it's the start of a beautiful relationship with the novelist's extensive back catalogue' -- Shortlist Praise for Piece of My Heart and Friend of the Devil -- : 'A police procedural that grips like pliers' -- Independent on Sunday 'The writing is well up to the author's high standard' -- The Times 20080816
