Fantastic!!1Von Kindle CustomerI am almost finished with this book,I had to get it through an interlibrary loan, and I am glad to say that I truly enjoyed this book. Vivian got played a mean deck of cards, but she overcame it and still

came out good on top. Please get this book if you want an entertaining read.0 von 0 Kunden fanden die folgende Rezension hilfreich. WHEN WORDS FAIL YOU - YOU'VE EXPERIENCED PARADISE! Von Betty Holloway PARADISE IS THE PLACE THIS AUTHOR TAKES HER READERS. SHE IS A LITERARY GENIUS. THE CHOKEHOLD SHE PUTS ON YOUR EMOTIONS KEEPS YOU TURNING THE PAGES LATE INTO THE MIDNIGHT HOUR. HER TAKE ON THE ROMANCE SCENES LEAVE YOU GASPING FOR BREATH. BUT WRAPPED AROUND ALL OF THAT IS THE MOST SUSPENSIFUL STORY I'VE HAD THE PLEASURE OF READING. THAT PART ABOUT THE TAPE AND WHAT IT CONTAINED, WHICH WASN'T PRESENTED TO THE VERY END WAS HEART STOPPING. THE EVOLVEMENT OF THE RELATIONSHIP BETWEEN MARC AND VIVIAN WAS SUPERB AND SO DOWN TO EARTH BELIEVABLE. MS. PALFREY EVEN GOT ME TO ALMOST FEEL SORRY FOR WALTER, BUT THE SCENE SHE PRESENTED OF HOW HE JUST THREW PASSION AT VIVIAN PUT AN END TO THAT EMOTION QUICK AND A HURRY. BUT THEN I GOT CAUGHT UP IN FEELING SORRY AGAIN FOR OLE WALTER WHEN HE HAD TO TAKE HER TO THE HOSPITAL. MY EMOTIONS WERE ROCKING AND REELING AND YOURS WILL BE IF YOU SHOULD HAVE THE PRIVILEGE OF READING THIS AUTHOR'S WORK. THE INTERACTION OF VIVIAN'S MOTHER WAS THE CONSUMMATE TWIST IN THIS BOOK, WHAT WE MOTHERS WON'T DO FOR OUR YOUNG WAS TAKEN TO THE LIMITS IN THIS BOOK. OLE GLORIA TURNED OUT TO BE THE ULTIMATE MAMA IN THIS ONE, EVEN THOUGH I HAD TROUBLE WITH HER PART IN WALTER'S COVER-UPS. IF YOU WANT YOUR FUNNY BONE TICKLED, WALTER WILL SURELY DO IT WHEN YOU READ ABOUT THE WAY HE GOES ABOUT SOLVING HIS DILEMMA AT THE PRESS CONFERENCE. I WAS HYSTERICAL WHEN I READ OF WHAT VIVIAN WAS THINKING AND WANTED TO SHOUT BUT COULDN'T LET THE WORDS OUT. MARC IS THE MAN OF THE HOUR AND KNOWS HOW TO PLEASE HIS WOMAN IN EVERY WAY, EVEN WHEN SHE IS BREAKING HIS HEART. AND SHERMAN O SHERMAN, THAT IS THE MOST CREM DE LA CREM OF SUSPENSE TWISTS. MS. PALFREY IS A SMOOTH OPERATOR WHEN IT COMES TO TWISTS AND TURNS. ENOUGH! BUY THE BOOK AND EXPERIENCE PARADISE!! TOO AM AWAITING THE ARRIVAL OF HER OTHER TWO BOOKS AND WILL CONTINUE TO BUY ANYTHING SHE PUTS OUT.0 von 0 Kunden fanden die folgende Rezension hilfreich. Make sure all your chores are finished before you start this Von Ein Kunde This book was so good that I started reading it at 6:30, after cooking dinner, and didn't put it down until I read the last line. The 10 pm news was coming on when I finished. I didn't even notice that the main characters hadn't been described. I know so many people like all of the characters, in the book. I was able to place a face with each character. As my husband was driving us through the 5:00 pm traffic, I read the Seduction chapter. Five minutes later, I just had to re-read the chapter aloud to him. We had to laugh because our home town, Little Rock, has the same functions, with all the same characters. The owner of the Hearne's Fine Art Gallery told me, as she recommended the book, that it was a page turner. Palfrey's characters were very realistic. I felt Vivian's pain when Walter brought the baby home. I felt her growing love for Marc. I felt like I was at the festival with them. When Denise LaSalle started singing, I felt Vivian's release. I could see her releasing herself and letting her hair down. The one and only time I felt sorry for Walter was when he had to turn and look at Bobby, after watching the video. I felt that it was the only time that he forgot about all that was at stake and felt sorry for what he had done to Porsche. Even at the hospital, he felt ashamed, not for what he had done to Vivian and everyone else, but how he had allowed everything to get out of control. This is certainly a book worth reading again. Just a note to the author, Vivian is too smart of a woman to, even for a moment, be BS'd by Walter's flowers. Cora's statement about the BS should never had to be spoken. Vivian had resigned herself long before, to see right through him. Good Job!!!

Kurzbeschreibung "Does it have a name?" Vivian asked Walter. What would be the proper question to ask her husband of nearly twenty years, when he brings home his illegitimate baby as casually as a bag of groceries? Although Walter's frequent infidelities became increasingly obvious to Vivian, she struggled to accept them. After all, she reasoned, they came with the Mercedes, the beautiful house, and the prestige of being Mrs. Carlson, the Texas state representative's better half. Having long since abandoned her attempts at motherhood, Vivian resigned herself to her law studies and a lonely existence as the perfect political wife in suburban Austin. But Vivian draws the line at her husband's unexpected arrival. And once one line is drawn, she discovers that she can draw others. Left alone with this tiny, helpless bundle that disgusts and fascinates her, Vivian faces some of the hardest choices of her life. On the brink of a long-forgotten freedom, she begins the painful, empowering process of rebuilding her shattered life -- and the reawakening of her soul to the possibilities of love. An emotionally charged, razor-sharp take on the myriad challenges facing women today, Evelyn Palfrey's witty and suspenseful novel establishes her as a refreshing new voice in contemporary women's fiction. From Publishers Weekly This contemporary tale of a woman wronged fails to chart new territory, but engages with its attractive, sympathetic heroine. Up-and-coming black Texas state representative Walter Carlson has a history of philandering, but when he dumps the baby he recently fathered with his latest mistress on his

long-suffering (and infertile) wife, Vivian, it is the last straw. Livid, Vivian is forced into keeping the infant when her husband holds a press conference and announces that they have adopted a homeless baby. Soon, however, Vivian succumbs to her maternal needs and falls in love with the infant, whom she names Passion. She determines to leave Walter, taking Passion with her, and begins a struggle to maintain her law-student schedule, spend time with her baby and find adequate child care. Rescue comes in the form of Marc Kline, a divorced father and Pulitzer Prize-winning writer who teaches at the local university and is working on a book about adoption. A subplot about Passion's birth mother adds suspense, as well as a touch of originality, to the otherwise pedestrian romance. Walter, who belatedly comprehends the value of a good woman and wants Vivian back in his life, gets a satisfying, if heavy-handed, comeuppance. (Oct.) Copyright 2000 Reed Business Information, Inc.
