Kurzbeschreibung Owner of the Espiritu racing team, tycoon Marco de Cervantes thinks he knows exactly whats going on inside Sasha Flemings pretty little head Shes clearly not above using her wide-eyed beauty and tempting curves to become Espiritus first female racing driver. The infuriating thing is shes the best driver around! Marcos willing to reap any rewardson and off the trackbut he couldnt be more wrong about Sasha. Unlike the socialites that flock round him she has no interest in being a billionaires trophy wife and she wills her body to prove this to him. But success always comes at a price! Maya Blake is definitely an author you need on your bookshelf! Tara, Marketer, London
