Von Janet Dailey : The Pride of Hannah Wade (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Pride of Hannah Wade (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A Woman's Pride and CourageVon Ein KundeHannah Wade, gentle wife of an officer in the US Cavallery stationed at a Fort on the Mexican border, is kidnapped by a gang of Apaches, raped and given as slave to the wife of their leader. With courage and determination she survives the hard life in the desert, humiliation and a fruitless attempt to escape

until she is freed again one year later. But when she returns to her husband she discovers that she has become a "fallen woman" in the eyes of everyone, including her husband, by refusing to commit suicide rather than living among "dirty Indians". Hannah, unwilling to accept that role, sticks to her pride and tries to return to the life she had before the abduction. To no avail. The people at the fort and foremost her own husband won't let her forget. In the end she leaves him to live a new life of her own and to find new love with a man who truly admires her. "The Pride of Hannah Wade" is a romance novel set in the Wild West during the Indian wars. But it has also a striking relation to modern times in which a raped woman is still blamed for the crime committed to her. With Hannah Wade author Janet Daily shows her readers (both female and male) a way to deal with such a horror with pride, courage, and love. A thrilling story for all who love strong women as well as Indian tales.

Kurzbeschreibung In the harsh New Mexico Territory, Hannah Wade was captured and enslaved by avenging Apaches. Only her steel-edged will to live kept her alive. Finally rescued, she returned to a husband who shunned her touch, and to white women friends who found her stained and disgraced. But Hannah fought for her honor with the help of one man who valued her strength and spirit...one man who walked by her side in a land strewn with hate and injustice.
