Von Marsha Canham : The Pride of Lions (Scotland Trilogy Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Pride of Lions (Scotland Trilogy Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. One of the most touching stories you will ever read!Von Stacey Timmins-NewmanThe entire story (The Pride of Lions and The Blood of Roses) was amazing! Alexander and Catherine had one of the most beautiful and tortured love stories I have ever had the pleasure to read. I will admit however, that the scene of Deirdre O'Shay and Aluinn MacKail on the

battlefield made me cry more than I have ever cried over a book in my life! I have never been so touched by secondary characters in all my years of reading. I cried so much I had to stop reading until I could calm down. Even years later, all I have to do is think about that scene and I get choked up all over again! Loved it, truly!

1 von 1 Kunden fanden die folgende Rezension hilfreich. Dissapointed... Von Ein Kunde Attracted to "Pride of Lions" because of my enjoyment of "In the Shadow of Midnight", I was dissapointed to find that the "Pride of Lions" storyline did not exhibit the same creativity, intrigue, or depth. I found the characters not as admirable as well. Catherine acted a little too spoiled and wimpery. Alexander's plans were half-baked. All-in-all, it was an entertaining book, an easy read, and had some captivating moments, but was less than what I expected from Canham.

1 von 1 Kunden fanden die folgende Rezension hilfreich. Good story; disappointing "ending" Von Ein Kunde The Pride of Lions gives a different look at the period of history so magnificently written about in Outlander by Diana Gabaldon. While Catherine and Alex do not capture the heart as Jamie and Claire did, they are intelligent, passionate and very much in love with one another and I found myself caring deeply about them. On the negative side: the main story is not concluded in this book but ends abruptly in mid-story. In order to have an end to the story, you must also purchase The Blood of Roses.

Kurzbeschreibung Bestselling, award-winning author Marsha Canham sweeps us into the turbulence and romance of Scotland's quest for freedom in a saga of two born enemies whose lives and destinies are irrevocably bound to the fate of an empire. Forced into an unwanted marriage by a reckless game of chance, how was the spoiled and pampered Catherine Augustine Ashbrooke to know the handsome stranger with the brooding midnight eyes would make her the pawn in a dangerous game of his own? Alexander Cameron may have won the highborn English beauty in a duel, but not even the lure of long-forgotten desires could keep him from his meeting with destiny. He had no choice but to carry his reluctant bride off to the Highlands, to a world of ancient blood feuds and a brewing rebellion--a world where fiery passion and breathtaking courage would prove that even legendary warriors could lose their hearts.

Pressestimmen "An electrifying love story with characters that leap from the pages, breathtaking descriptions of Scotland's awesome beauty, superb dialogue and fascinating details." --Romantic Times "A tense, highly exciting romance. . . [that] travels from the opulent ballrooms of England to the Scottish highlands." --Affaire de Coeur "Absolutely bloody marvelous!" --Virginia Henley, bestselling author of Dream Lover "Compelling, exciting, and riveting. When you talk about historical romance, it doesn't get much better than this!" --Elaine Coffman, bestselling author of If You Love Me "A fabulous tale of forbidden passion." -- Nan Ryan, bestselling author of Outlaw's Kiss
