Von P.J. Fox : The Prince's Slave: Captive In His Castle (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Prince's Slave: Captive In His Castle (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The Prince's Slave...Triology...my opinion for all three book !Von MicWell, I have to say for all three books together...I really liked this story and the meaning behind the whole situation and developmentfrom mostly Ash. But also Belle is

discovering her true self and this journey was the same exciting and surprising....so together it's a good book. And I say it as one book, because the story just goes on throughout all books together. For each book on its own...book 1 gets 4 stars...it starts interesting and you just want to know how all will go on. Just 4 stars because here it already starts with a LOT and I'm not just talking here from a few background informations, like her history and the reasons why Ash is like he is....I'm talking here about tonnes of information and details..and in book one ...it's for the new story and all of it that I could forgive this little bit overwhelming details, but just barely. book 2 gets more and more lost in informations, that I more than one time just jumped to the next page. The exciting story continues, but the feeling about the tension gets a little shallower here. Still 3 stars from me. book 3: Still too much information for my taste, but the story is the definitely savior here. You just want to know how Ash and Belle will work out together. I really liked their development together. Mostly their influence to each others lives. But at the end I was happy that the too much information had stopped and I knew how it turned out. also 3 stars for this third book.

Kurzbeschreibung Shy, reclusive exchange student Belle Wainwright doesn't know that her world is about to change. Talked into a night out against her better judgment, she finds herself in an exclusive club where she knows no one. And finds herself the target of slavers whose purpose is to satisfy those men and women whose tastes have grown too dark for the modern world. Whose needs cannot be met by normal means. Who love but on their own terms. Abandoned by her friends, she's simultaneously rescued and captured by a man who is at once a hero and a figure from nightmare. A dark prince who hints, enigmatically, at his own even darker needs. Who describes himself as a man with no soul. But who is, nonetheless, beautiful and brilliant. And whom Belle finds captivating, even though she knows she shouldn't. This book is intended for mature audiences. Fox published her first story when she was ten. Between then and the present moment, she detoured to, in no particular order, earn several degrees (including a law degree), bore everyone she knew with lectures about medieval history, get married, and start a family. She realized, ultimately, that she had to make a go of this writing thing because nothing else would ever make her happy.
