Von George MacDonald : The Princess and Curdie (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Princess and Curdie (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 3 Kunden fanden die folgende Rezension hilfreich. Even better than the firstVon Ein KundeOne of the few sequels better than its predecessor, this is a beautiful fairy tale about a young boy who saves a kingdom from its greed and selfishness. George MacDonald has taken a more social turn in this book in comparison to the first, "The Princess and the Goblin", dealing with human nature in a most clever way.

It's only a fairy tale, of course; but it's one of my favorites

KurzbeschreibungSkyros Publishing is dedicated to reproducing the finest books ever written and letting readers of all ages experience a classic for the first time or revisit a past favorite. The Princess and Curdie, written by George MacDonald, is the sequel to The Princess and the Goblin. The action starts with the Princess Irene traveling with her father to Gwytystorm while her friend Curdie stays at home. KurzbeschreibungSkyros Publishing is dedicated to reproducing the finest books ever written and letting readers of all ages experience a classic for the first time or revisit a past favorite. The Princess and Curdie, written by George MacDonald, is the sequel to The Princess and the Goblin. The action starts with the Princess Irene traveling with her father to Gwytystorm while her friend Curdie stays at home. SynopsisThe sequel to "The Princess and the Goblin", this story begins a year after Curdie, the miner's son, saved the Princess Irene from being carried away by the goblins who lived under the earth. It looked as if the kingdom would run like clockwork once again, but the goblins were back.
