Von Karen Mead : The Problem With Black Magic (The Familiar Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Problem With Black Magic (The Familiar Series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. SUCHTPOTENZIAL 1000% Von JulieCFr jemanden der auf magisches steht, ist diese Buchreihe einfach genial. Ich konnte gar nicht mehr aufhren zu lesen und hatte Buch 1 schon nach 2 Tagen durch. Buch 2 und 3 sind auch bereits auf meinem Tablet vorhanden, und werden eifrig gelesen.Sehr zu empfehlen, aber die groe Suchtgefahr sollte erwht werden!!0 von 0 Kunden fanden die folgende Rezension hilfreich. Very entertainingVon Avid ReaderI really enjoyed young Cassie and her reluctant introduction to black magic. If her parents knew they would be amazed

KurzbeschreibungFiercely independent Cassie Tremblay divides her time between working the cash register at her neighborhood coffee shop and studying to produce the grades to get into a top-tier university. Sam, a mysterious co-

worker at The Daily Grind, seems to have taken an instant dislike to her, but for Cassie, the looming specter of the SAT Verbal section is a much bigger concern. After a freak accident nearly leaves Cassie and her co-workers dead, a spell cast in desperation transforms her from a regular teen to a valuable familiar: a magical well a demon can tap. As if she didn't have enough problems, now every demon (and their monstrous minions) seems to be after Cassie's latent magic, and will stop at nothing to possess her. Sam, now her master (loath as Cassie is to admit it) works to protect her, but she soon realizes the security bought by his barely controlled black magic comes at a terrible price. She would love nothing more than to earn her freedom for herself, but with no ability to cast spells of her own, how can she fight back against creatures that wield awesome powers beyond mortal comprehension? Blending a hint of gothic romance with wry humor, as well as taking inspiration from the detailed, nuanced magical systems often found in anime and manga, *The Problem with Black Magic* is a YA-friendly novel that contains enough depth for genre fans of all ages. The first book of *The Familiar Series*, this is a tale of one young woman's struggle for independence in a brand new world of sorcery, intrigue, and wonder.
