He currently has three series in print: The Renegades space opera and space exploration series, the Shadow Space Chronicles military science fiction and space opera series, and the Eoriel Saga epic fantasy series. Kal is a US Army veteran who has been deployed to Iraq and Afghanistan. He lives in Colorado, and is married to his wonderful wife (who deserves mention for her patience with his writing) and also shares his home with his newborn son, three feline overlords, and a rather put-upon dog. He likes hiking, skiing, and enjoying the outdoors, when he's not hunched over a keyboard writing his next novel.
