Von Charlotte Bronte : The Professor (Xist Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Professor (Xist Classics):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Charlotte BronteVon Nayla JgerEs ist Brontes erstes Buch, was sie zum verlegen da gereicht hat. Fngt sehr fesselnden an, aber irgendwann ist alles erzht und zieht sich in der lnger. Der Leser wartet auf etwas konkretes. End war richtig unbefriedigend. Deshalb nur drei Sterne.3 von 3 Kunden fanden die folgende Rezension hilfreich. The author's first

novel Von HORAK Readers aspiring to have a knowledge of Charlotte Brontë's work should read "The Professor" as it contains the key to much of her subsequent writing like "Jane Eyre" or "Villette". The novel is based on the author's own experiences in Brussels. The central character, William Crimsworth, an orphan, leaves his dreary clerking post in a Yorkshire mill to start a career as a teacher of English in the Belgian capital. He falls in love with a Protestant pupil, Frances Henri, teacher and lace mender. However William's relationship is complicated by the manipulative and beguiling Catholic headmistress, Zoraide Reuter, and her cunning attempts to divert him from his destiny. The novel, written in 1846, astonishes by its brevity and realism and by its portrayal of the heroine's insistence on a working career after her marriage. 1 von 1 Kunden fanden die folgende Rezension hilfreich. A book that was good but could be better. Von Ein Kunde The Professor is not Charlotte Brontë's best work, but it has a good plot. This book resembles Agnes Grey by Anne Brontë. At first, when reading, I thought that this book was about a woman, but it wasn't, it was about a man. To make the transition was a bit hard. I think that Charlotte Brontë should have made this book about a woman, not a man. Brontë's way of portraying a male was different than what I thought the male role was. Brontë portrayed the male as someone who cared very much about women and their benefit. My idea of the male role in Victorian Society was not to care that much about the welfare of the women. This book also has a love story. Along with the struggle "the professor" went through, there was also a woman he wished to have. This book, overall, was not bad, but not one of Charlotte Brontë's best.

Kurzbeschreibung A romantic Victorian novel. It was her pleasure, her joy, to make me still the master in all things. - The Professor, Charlotte Brontë Charlotte Brontë's The Professor is the story of William Crimsworth, his maturation, his loves and his eventual career as a professor at an all-girls school.
